Matthews,James Lund,2020-09-08 In this powerful story about the healing every man needs John Eldredge New York Times bestselling author a near fatal attack by an enraged grizzly bear leads to an unexpected encounter with God for alpha male Greg Matthews Greg Matthews was the ultimate poster boy for masculinity Avid hunter and outdoorsman Air Force and civilian firefighter EMT rescue helicopter pilot fugitive recovery agent Ground Zero volunteer and more Greg had spent his whole life striving to serve others but for all the wrong reasons After his parents divorce when he was young Greg believed deep down that the only way he could be loved and valued by his father by his family and by God was if he earned it through daring high stakes high risk what society commonly refers to as manly achievements But everything changed when an idyllic hunting trip through the backwoods of Alaska turned into a harrowing fight for his life Greg was attacked by a grizzly bear but the gruesome nearly fatal conflict offered an unexpected encounter with God Greg s eyes and more importantly his heart were finally opened to the lie that he d internalized as a child that his dangerously high risk achievements were the sole signifiers of his worth The road to recovery was long and painful but it

forced Greg to come face to face with the long held view of manhood he had absorbed as his own identity The relentless grizzly uncovered something in Greg s heart that he was being pursued by an equally persistent God who loved him unconditionally A gripping tale of survival and a rebuttal to outdated notions about masculinity Wild Awakening will help you lead a life of greater purpose John O Leary author of On Fire      *How to Raise Rabbits* Samantha Johnson, Daniel Johnson, 2019-03-26 In this freshly updated third edition of *How to Raise Rabbits* you ll find practical advice for raising any number of rabbits in any environment rural or urban one rabbit or twenty Brother sister writing duo Daniel and Samantha Johnson expertly walk readers through all the basics on breed types housing and food requirements shows kit care and general healthcare for the rabbit Rabbits are wonderful animals to raise whether as pets or as livestock on a farm They are especially great as starter animals for children who participate in rabbit shows Before you embark on owning one of these lovable critters however there s a lot you need to know for instance which of the forty seven rabbit breeds is best for you Licensed by the Future Farmers of America the guidebooks in our acclaimed *How to Raise* series have helped countless first time animal owners across the United States confidently care for their new companions With clear and informative instructions fully illustrated with beautiful how to photography *How to Raise Rabbits* continues to be an essential primer for the newcomer to rabbit care and a classic on any rabbit lover s bookshelf      **String Explorer, Book 1** Andrew H. *The Elite Leadership Course* Garry McCarthy, 2021-05-26 The only authentic account of Lord Rowallan s ruthlessly unorthodox methods of leadership development at the Royal Military Academy Sandhurst This is a brilliant account of how leadership is made Andy McNab This is the true story of 21 young men desperately trying to survive the most brutal leadership course of modern times A throw back to the Highland Fieldcraft Training Center the revolutionary brain child of Lord Rowallan during the Second World War this fascinating insight explains the extraordinary lengths Sandhurst goes to in pursuit of generating the world s greatest military leaders No one could have known that the intensity of their training was coincidentally little more than a prelude to a decade of war in Afghanistan and Iraq where attrition rates became comparable to those reached during the Second World War This captivating story is full of emotion brought on by physical and mental endeavor that leads to success and failure This intimate and revealing story of camaraderie is the first of its kind But learning how to lead subordinates during the darkest of hours living in the most austere of environments comes at a price Unconventional and at times controversial this is the only authentic account of life in Rowallan Company Sandhurst at a time when the world teetered on the brink of war with

insurgents and dictators armed with weapons of mass destruction
