J.** Taylor,2023-05-25 A fascinating exploration of George Orwell and his body of work by an award winning Orwellian biographer and scholar presenting the author anew to twenty first century readers We find ourselves in an era when the moment is ripe for a reevaluation of the life and the works of one of the twentieth century s greatest authors This is the first twenty first century biography on George Orwell with special recognition to D J Taylor s stature as an award winning

biographer and Orwellian Using new sources that are now available for the first time we are tantalizingly at the end of the lifespan of Orwell's last few contemporaries whose final reflections are caught in this book The way we look at a writer and his canon has changed even over the course of the last two decades there is a post millennial prism through which we must now look for such a biography to be fresh and relevant This is what Orwell The New Life achieves Reenchanted Science Anne Harrington,2020-09-01 By the 1920s in Central Europe it had become a truism among intellectuals that natural science had disenchanting the world and in particular had reduced humans to mere mechanisms devoid of higher purpose But could a new science of wholeness heal what the old science of the machine had wrought Some contemporary scientists thought it could These years saw the spread of a new holistic science designed to nourish the heart as well as the head to reenchanted even as it explained Critics since have linked this holism to a German irrationalism that is supposed to have paved the way to Nazism In a penetrating analysis of this science Anne Harrington shows that in fact the story of holism in Germany is a politically heterogeneous story with multiple endings Its alliances with Nazism were not inevitable but resulted from reorganizational processes that ultimately brought commitments to wholeness and race healing and death into a common framework Before 1933 holistic science was a uniquely authoritative voice in cultural debates on the costs of modernization It attracted not only scientists with Nazi sympathies but also moderates and leftists some of whom left enduring humanistic legacies Neither a reduction of science to its politics nor a vision in which the sociocultural environment is a backdrop to the internal work of science this story instead emphasizes how metaphor and imagery allow science to engage real phenomena of the laboratory in ways that are richly generative of human meanings and porous to the social and political imperatives of the hour Marcel Proust in Context Adam Watt,2013-12-05 This wide ranging volume of essays provides an illuminating set of approaches to the multifaceted contexts of Proust's life and work **Mr. Clemens and Mark Twain** Justin

Kaplan,2008-06-30 Mark Twain the American comic genius who portrayed named and in part exemplified America's Gilded Age comes alive in Justin Kaplan's extraordinary biography With brilliant immediacy Mr Clemens and Mark Twain brings to life a towering literary figure whose dual persona symbolized the emerging American conflict between down to earth morality and freewheeling ambition As Mark Twain he was the Mississippi riverboat pilot the satirist with a fiery hatred of pretension and the author of such classics as Tom Sawyer and Huckleberry Finn As Mr Clemens he was the star who married an heiress built a palatial estate threw away fortunes on harebrained financial schemes and lived the extravagant life that Mark Twain despised Kaplan effectively portrays the triumphant tragic man whose achievements and failures laughter and anger reflect a crucial generation in our past as well as his own dark divided and remarkably contemporary spirit Mr Clemens and Mark Twain brilliantly conveys this towering literary figure who was himself a symbol of the peculiarly American conflict between moral scrutiny and the drive to succeed Mr Clemens lived the Gilded Life that Mark Twain despised The merging and fragmenting of these and other identities as the biography unfolds results in a magnificent

projection of the whole man the great comic spirit and the exuberant tragic human being who his friend William Dean Howells said was sole incomparable the Lincoln of our literature      **New York Times Saturday Review of Books and Art** ,1970      Messianism and Puritanical Reform Mercedes Garcia-Arenal,2006-06-01 This is a book about revolutionary movements of a messianic and millenarian character led by a mahdi in Islamic terms a charismatic messianic leader It also addresses the question of mediation between God and men and the political repercussions of this question in the history of the pre Modern Muslim West Mahdism is considered in relation to sufi ideas terminology and symbols which shape notions of authority and of legitimate power when claiming direct intimate contact between the holy and the divine The relationship between mahdism and the legitimacy of power the process by which the messianic paradigm becomes inseparable from the claim to the caliphate are amply discussed The contents of the book range from the times of the Muslim conquest of North Africa and Iberia to the first part of the XVIIth century with the end of Muslim Iberia and the beginnings of European intervention in Morocco      Mastery Robert Greene,2012-11-19 A Rambo style mentality oozes from every khaki ed muscle bound phrase Daily Telegraph A wry primer for people who desperately want to be on top People Around the globe people are facing the same problem that we are born as individuals but are forced to conform to the rules of society if we want to succeed To see our uniqueness expressed in our achievements we must first learn the rules and then how to change them completely Charles Darwin began as an underachieving schoolboy Leonardo da Vinci as an illegitimate outcast The secret of their eventual greatness lies in a rigorous apprenticeship by paying close and careful attention they learnt to master the hidden codes which determine ultimate success or failure Then they rewrote the rules as a reflection of their own individuality blasting previous patterns of achievement open from within Told through Robert Greene s signature blend of historical anecdote and psychological insight and drawing on interviews with world leaders Mastery builds on the strategies outlined in The 48 Laws of Power to provide a practical guide to greatness and how to start living by your own rules

**Ghosts is Sunlight** Greta Curran Browne,      **The Book of All Books** Roberto Calasso,2021-11-16 Beautiful intellectually thrilling unlike anything else Telegraph Promise and separation Grace and guilt The chosen and the damned Roberto Calasso s captivating retelling of key stories from the bible evokes the dramatic world of the Old Testament and casts one of the founding texts of Western civilization in an astonishing and disquieting new light The Book of All Books is the culmination of a lifetime s work and the tenth part of a series that began with The Ruin of Kasch Engaging enlightening Financial Times Surprising vivid Spectator      LIFE ,1968-12-20 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use      **Outsiders Looking In** David Clifford,Laurence Roussillon,2004-01-29 This new interdisciplinary collection of writing explores the achievements of the Rossettis in the context of the Victorian era and in the

light of modern cultural and literary criticism Outsiders Looking In considers the position that the Anglo Italian Rossettis occupied in the cultural melee of mid Victorian London a status that was both central and fringe owing to their dual nationality

**Das Lied von der Erde in Full Score** Gustav Mahler,2013-06-10 In Das Lied von der Erde Gustav Mahler fused the two forms that most obsessed him song and symphony into a masterpiece that epitomized his musical genius and the very spirit of late Romanticism It is a work of stunning power one that musical artists and audiences worldwide have made a repertoire favorite and it is reprinted here from the original full score published in Vienna by Universal Edition in 1912 Based on a cycle of six poems translated from the Chinese by Hans Bethge Das Lied von der Erde scored for tenor alto or baritone and orchestra expresses a dualism of feeling ecstatic pleasure shadowed by dark foreboding that characterizes not only Mahler himself but the peculiarly autumnal mood of late Romanticism as well Throughout Mahler calls on the orchestra to suggest the exotic atmosphere summoned by the text and to sustain and supplement the solos with all its resources both in the accompaniment and the extensive connecting interludes This sturdily bound finely produced full score containing an English translation of the song text is printed on fine quality paper It offers both amateur and professional singers and musicians along with music lovers who enjoy following a love or recorded performance score in hand a lifetime of pleasurable study and intimate enjoyment of one of the most celebrated classics of 20th century music
