*The Family Journey* Dr. Andy O. Homer, 2024-06-17 The book seeks to provide a theological thematic framework for understanding marriage and the family It also offers suggestions and strategies for building healthy families as well as solutions for treating marriage and family problems **The Power of Love: my victory over breast cancer** Karla Icaza, 2017-02-02 When I was diagnosed with breast cancer almost immediately I thought I should write a book about my experience I began to write a few days after my surgery when I was at home recovering It is a book written while I battled the disease Since I wrote it while things were happening on its pages I poured my heart In it are my weaknesses and my strengths Is a book that provokes many emotions to cry to laugh to reflect I included photos that illustrate many of the things I talk about There are testimonies of my husband my children and other relatives where they reflect the way they handled the battle It is a book that conveys the love of God and the love of family and friends who accompanied me throughout my process A book inspired by the Holy Spirit I could not have written it without His help It is my desire that every person who reads it receives hope peace love and faith to face any difficult circumstances and experience God's embrace *My Hope Is Dead* Sandisiwe Gxaba, You ever notice how when you lose someone you hold dearly to your heart you tend to question God's existence or maybe that's just me Losing his wife made him question God and in the process he lost his faith in him because he didn't understand why he would let her die after the endless prayers and fasting she and he went through You see at some point in life Wandile had hope hope that things would be better but he blames God he claims that he killed his hope and since then he's been asking himself one question Is there even a God up there This question is normal for Christians when they lose loved ones but it's mostly common for those with weaker faith in the almighty You see when you in a situation where by all you've ever done is lose you bound to lose all hope and faith in him and the last thing you want to hear is people preaching

to you about the goodness of God and honestly this book takes you through the rollercoaster ride of faith and hope working together and how they relate to each other I didn't write this book to make you question your faith further but it was mostly about me finding my own healing in God Losing a loved one is not easy to get over it requires time and trust me with time you do find healing and I am happy to have written this particular book because I came to learn that a lot of people found their healing in this particular book Yes it is sad and painful and maybe tests one's faith but it all comes together in the end with a happy ever after in Christ Take this journey with Wandile as he tries to find his healing
