**Management, International Adaptation** John R. Schermerhorn, Daniel G. Bachrach, 2024 Management 15th edition continues to offer the same balanced theoretical approach as with previous editions Students need an active and engaged learning classroom environment that brings personal meaning

to course content and the instructor's course objectives. The book communicates with students through rich timely features and cases that bring management topics, theories and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test. This international edition has been revised and updated with a focus on timely content, student engagement through real world challenges and personal career issues. Centralizing new topics such as diversity, equity, inclusion and social impact, this edition introduces new features of Issues to attract learners' attention to timely social and organizational issues as well as new cases and more opportunities for self assessment.

**The Civil Service in Europe** Karl-Peter Sommermann, Adam Krzywoń, Cristina Fraenkel-Haeberle, 2025-01-29. This book opens an often nationally focused field of research to a transnational common European debate. It addresses the ongoing transformation of the civil service, examining its evolving landscape across Europe and exploring the intricate web of historical, social and political influences that are shaping its current state and setting the future direction. Written by experts from different European countries, this book offers a transnational and interdisciplinary perspective on the civil service by combining legal analysis with insights from public management, political science and sociology. It addresses the growing complexity of public administration tasks and the increasing requirements related to the qualification of civil servants amidst global challenges such as climate change, migration and technological progress. The book is structured to provide both a broad overview as well as in-depth analyses. It covers national developments, presents comparative studies and tackles intersecting issues such as employment systems, non-discrimination and human rights, digitalisation, artificial intelligence, the fight against corruption and administrative culture. It aims to identify common European standards and provide practical guidance for public service reforms. The volume will prove to be an indispensable resource for academics, practitioners and policymakers concerned with public administration and governance. The Open Access version of this book is available at <http://www.taylorfrancis.com> and has been made available under a Creative Commons Attribution Non-Commercial No Derivatives (CC BY-NC-ND 4.0) license.
