Presenting problem/reason for referral:	
Ellie has been referred for evaluation and treatment due to persistent behavioral challenges, including frequent aggression, defiance toward authority figures, and violations of social norms both at home and school. These behaviors have been disruptive to her relationships and daily functioning.	
Diagnostic impressions:	
Ellie meets the diagnostic criteria for Conduct Disorder, as outlined in the DSM-5, characterized by repetitive and persistent patterns of behavior violating the rights of others or age-appropriate social rules.	
Goals and objectives	
Short-term goals	Long-term goals
Develop an understanding of acceptable social behaviors and consequences of actions through therapy sessions within the next three months. Reduce the frequency of aggressive outbursts by 25% through the implementation of behavioral management strategies.	Achieve sustained behavioral improvements that foster positive relationships with family, peers, and school staff. Successfully integrate coping mechanisms to manage anger and frustration over the next 12 months.
Interventions	
Cognitive-Behavioral Therapy (CBT): Focus on improving impulse control, empathy, and problem-solving skills. Family Therapy: Engage family members to strengthen communication and provide consistent reinforcement of appropriate behaviors. Behavioral Contracting: Develop and implement a behavior plan with clear expectations, rewards, and consequences. Social Skills Training: Role-playing exercises to teach Ellie how to interact with peers and authority figures constructively.	
Support system	
Parents: Jennifer and Mark Smith, who will actively participate in family therapy and support behavioral goals at home. School Counselor: Ms. Lauren Green, providing updates on Ellie's progress and collaborating on interventions. Community Mentor Program: Enroll Ellie in a mentoring program to offer positive role modeling and constructive activities.

Handbook of Evidence-Based Practices for Emotional and Behavioral Disorders Hill M. Walker, Frank M. Gresham, 2015-12-15 This authoritative volume provides state of the art practices for supporting the approximately 20% of today's K-12 students who have emotional and behavioral disorders (EBD) that hinder school success. Leading experts present evidence-based approaches to screening, progress monitoring, intervention, and instruction within a multi-tiered framework. Coverage encompasses everything from early intervention and prevention to applications for high-risk adolescents. Exemplary programs are described for broad populations of EBD students as well as those with particular disorders including autism spectrum disorders and externalizing behavior problems. The book combines theory and research with practical information on how to select interventions and implement them with integrity.

Curricula for Teaching Students with Autism Spectrum Disorder Hsu-Min Chiang, 2018-01-24 This book provides an extensive overview of curricula and instructional strategies for teaching children with autism spectrum disorder (ASD). It offers an empirically solid framework for designing and developing interventions for learners along the autism spectrum by reducing skill deficits and enhancing learner strengths while being flexible enough to allow for individual differences. The book discusses key concepts in educating individuals with ASD as they impact the processes of syllabus building from planning goals and objectives to generating content, choosing appropriate teaching strategies, and assessing progress. Chapters detail curriculum designs in academic areas such as language skills, science, and social studies, as well as functional skills including independent living, career development, and preventing social victimization. The book concludes with recommendations for future interventions and curricula building. Among the topics covered: Communication and autism spectrum disorder; Mathematical problem solving instruction for students with ASD; Visual arts curriculum for students with ASD; How to build programs focused on daily living and adult independence; Sexuality education for students with ASD. *Curricula for Teaching Students with Autism Spectrum Disorder* is a must-have resource for researchers, graduate students, and clinicians, and related therapists and professionals in clinical child and school psychology, childhood special education, social work, developmental psychology, behavioral therapy, rehabilitation, and child and adolescent psychiatry.

Handbook of Special Education James M. Kauffman, Daniel P. Hallahan, 2011-05-15 Special education is now an established part of public education in the United States by law and by custom. However, it is still widely misunderstood and continues to be dogged by controversies related to such things as categorization, grouping, assessment, placement, funding, instruction, and a variety of legal issues. The purpose of this 13-part, 57-chapter handbook is to help profile and bring greater clarity to this sprawling and growing field. To ensure consistency across the volume, chapter authors review and integrate existing research, identify strengths and weaknesses, note gaps in the literature, and discuss implications for practice and future research. Key features include Comprehensive Coverage: Fifty-seven chapters cover all aspects of special education in the United States, including cultural and international comparisons; Issues/Trends: In addition to synthesizing empirical

findings and providing a critical analysis of the status and direction of current research chapter authors discuss issues related to practice and reflect on trends in thinking Categorical Chapters In order to provide a comprehensive and comparative treatment of the twelve categorical chapters in section IV chapter authors were asked to follow a consistent outline Definition Causal Factors Identification Behavioral Characteristics Assessment Educational Programming and Trends and Issues Expertise Edited by two of the most accomplished scholars in special education chapter authors include a carefully chosen mixture of established and rising young stars in the field This book is an appropriate reference volume for anyone researchers scholars graduate students practitioners policy makers and parents interested in the state of special education today its research base current issues and practices and future trends It is also appropriate as a textbook for graduate level courses in special education
