Professor Childress still needed to pass the Louisiana Notary Exam to practice as one. It's a challenging exam for everyone yet he found in the Study Guide lots of trees but little forest and even less real guidance. Determined that current test takers can do better with more real help, he wrote this book and geared the page numbers including an index, cross references, lists, and illustrated explanation of successions, community property, and authentic acts to the latest edition of the state's official text, *Fundamentals of Louisiana Notarial Law and Practice*. An affordable addition to the Self Study Sherpa Series from Quid Pro Books, this book actually pays for itself with its one weird trick: saying how to save 65 in fees in the notary qualification process.

Louisiana Notary Exam Sample Questions and Answers, Steven Alan Childress, 2020-10-21. By the author of the *Sidepiece* book, Questions and answers in four separate tests plus detailed explanations for each right and wrong answer keyed to the page of the official study guide help coach students for the difficult exam. This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test, and notary law behind it. Louisiana civil law notaries have unmatched functions, responsibilities, and opportunities, but the exam has a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content, and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help, but students are left matching answers to page numbers. There's no guidance on why they're right and even less about why other good options aren't best. This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options. Explanations are keyed to the 2020 study guide, usable on the first 2021 exam but will work fine when a new edition is released.

Professor Childress, author of *Louisiana Notary Exam Sidepiece* to the 2020 Study Guide, a book decoding the state text and teacher of Tulane's academic course in notary law, explains every twist he can think of that the examiners may try.
