

Discussion Essay Vs. Opinion Essays

There are generally two types of IELTS essays. It is important to know the difference, as each essay title will help you to assess the tone and writing style for your task. In general you should always write in the third person for your essays. However, for the opinion essays you may write in the first person.

For example: **In my opinion, I agree with this statement. I agree with the statement.....**

Let's examine some topics and see if you can guess which ones are discussion essays and which ones are opinion essays. The answers will be given in part 2.

A) Discuss the advantages and disadvantages of technology.

B) Is freedom of speech important for a free society? Discuss your view and give your opinion. Do you agree or disagree with the statement?

C) Discuss the advantages and disadvantages of living or working overseas.

D) Some people say it's impossible to live without technology nowadays. Give your opinion on this topic.

Top Tip: Only use the first person for opinion essays.
