Subject: Letter of recommendation for graduate school

Respected Sir,

I Henry Wills am pleased to write this letter of recommendation for George John. I was his Physics teacher during his high schooling from St. Patrick's Senior Secondary School and I know him for the past 3 years. With this letter, I would like to recommend him for the admission in the course of physics honours at your esteemed graduate school.

George John was one of the brightest students of our school. He was always appreciated for his sincerity and dedication towards studies and for his helping nature towards the teachers and peers. His willingness to learn new things combined with his existing knowledge about physics subject makes him an ideal candidate for the current admission openings. He was also titled with an "All-rounder" award while he was in his 11th standard.

I have no hesitations in recommending George to pursue his higher studies from your graduate school. If you wish to speak to me regarding the recommendation, please feel free to contact me on 59389583.

Thanking you for your kind consideration.

Sincerely,

Henry Wills
