## **Sample Sunday School Commencement Ceremony:**

**American Congregations, Volume 1** James P. Wind, James W. Lewis, 1994 The congregation is a distinctly American religious structure and is often overlooked in traditional studies of religion But one cannot understand American religion without understanding the congregation Volume 1 Portraits of Twelve Religious Communities chronicles the founding growth and development of congregations that represent the diverse and complex reality of American local religious cultures The contributors explore multiple issues from the fate of American Protestantism to the rise of charismatic revivalism Volume 2 New Perspectives in the Study of Congregations builds upon those historical studies and addresses three crucial questions Where is the congregation located on the broader map of American cultural and religious life What are congregations distinctive qualities tasks and roles in American culture And what patterns of leadership characterize congregations in America *The Christian Life*, 1881 Wartime Schools Gerard Giordano, 2004 The politically conservative educators of World War II dramatically and rapidly altered policies programs schedules learning materials classroom activities and the content of academic courses They motivated students to salvage materials sell war stamps grow crops learn about wartime issues and take pride in patriotism They prepared millions of people for the armed services and the defense industries These accomplishments were possible because the educators were supported by an unprecedented alliance that included teachers school administrators industrialists military personnel government leaders and the President himself After the war conservative educators continued to portray themselves as home front warriors waging a life threatening battle against enduring global dangers A terrified public accepted this depiction and continued to back them for decades Worship Traditions in Armenia and the Neighboring Christian East Roberta R. Ervine, 2006 Red, White, and Blue Letter Days Matthew Dennis, 2018-07-05 The Fourth of July Thanksgiving Washington's Birthday Memorial Day Columbus Day Labor Day Martin Luther King's Birthday and other celebrations matter to Americans and reflect the state of American local and national politics Commemorations of cataclysmic events and light apparently trivial observances mirror American political and cultural life Both reveal much about the material conditions of the United States and its citizens identities historical consciousness and political attitudes Lying dormant within these festivals is the potential for political consequence controversy even transformation American political fetes remain works in progress as Americans use historical celebrations as occasions to reinvent themselves and their nation often with surprising results In six engaging chapters assaying particular political holidays over the course of their histories Red White and Blue Letter Days examines how Americans have shaped and been shaped by their calendar Matthew Dennis explores this vast political and cultural terrain charting how Americans defined their identities through celebration Independence Day invited African Americans to demand the equality promised in the Declaration of Independence for example just as Columbus Day celebrating the Italian Catholic explorer helped immigrants proclaim their legitimacy as Americans Native Americans too could use public holidays such as

Thanksgiving or Veterans Day to express dissent or demonstrate their claims to citizenship Merchants and advertisers colonized the American calendar moving in to sell their products by linking them often tenuously with holiday occasions or casting consumption as a patriotic act

**Protestants and Pictures** David Morgan,1999-08-26 In this lavishly illustrated book David Morgan surveys the visual culture that shaped American Protestantism in the nineteenth and twentieth centuries a vast record of images in illustrated bibles Christian almanacs children s literature popular religious books charts broadsides Sunday school cards illuminated devotional items tracts chromos and engravings His purpose is to explain the rise of these images their appearance and subject matter how they were understood by believers the uses to which they were put and what their relation was to technological innovations commerce and the cultural politics of Protestantism His overarching argument is that the role of images in American Protestantism greatly expanded and developed during this period
