It's Me, Travis** Travis Holp, 2025-11-04 Transformational life lessons from a psychic medium affectionately known as the Internet's gay uncle culled from his own life and from thousands of client readings to help you become the fullest possible version of yourself For Travis Holp growing up in Ohio in a conservative family challenged his very understanding of himself As a child playing with a Ouija board with his grandmother he received messages that felt as natural to him as breathing and yet he quickly learned to keep his understanding to himself He was shunned by his family for being gay and spent difficult years searching for his purpose and belief in himself When on a lark he began doing tarot readings on TikTok he soon became aware that the lessons from Spirit were just as relevant for him as they were for the friends and clients he was reading for And when his social media following exploded and he embraced his role as a medium his life became meaningful in ways he never expected In Are You There Spirit It's Me Travis Holp shares the lessons he has learned through both his own life experiences and the conversations he has conducted for clients with loved ones on the other side Through stories and exercises he opens us up to a new and expansive way of understanding our place in the world helping us embrace our authenticity overcome fear welcome change and live with real purpose And on every page as he leads us toward self discovery and profound healing his sparkling personality optimism and warmth remind us that we are all loved and that a meaningful life is one filled with joy **Father, Are You There?
