Ladies of Soul David Freeland,2009-09-23 American soul music of the 1960s is

one of the most creative and influential musical forms of the twentieth century. With its merging of gospel, R & B, country and blues, soul music succeeded in crossing over from African American culture into the general pop culture. Soul became the byword for the styles, attitudes and dreams of an entire era. Female performers were responsible for some of the most enduring and powerful contributions to the genre. All too frequently overlooked by the star-making critics, seven of these women are profiled in this book: Maxine Brown, Ruby Johnson, Denise LaSalle, Bettye LaVette, Barbara Mason, Carla Thomas and Timi Yuro. Getting started during the heyday of soul, each of these talented women had recording contracts and gave live performances to appreciative audiences. Their careers can be tracked through the popularity of soul during the 1960s and its decline in the 1970s. With humor, candor, pride and honest recognition that their careers did not surge into the mainstream and gain superstardom, they recount individual stories of how they struggled for success. Their oral histories, as told to David Freeland, address compelling issues including racism and sexism within the music industry. They discuss their grueling hardships on the road, their conflicts with male managers and the cutthroat competition in the recording business. As each singer examines her career with the author, she reveals the dreams, hopes and desires on which she has built her professional life. All seven face up to the career swings from the highs of releasing the first hit to the frustrating lows when the momentum stops. Although the obstacles to stardom are heartbreaking, these singers are committed to their art. With determination and style, these seven have pressed onward with club appearances and recordings. They survive through their savvy mix of talent, hubris and honesty about their lives and their music.

The Nate Thrower Series Books 1-4 Mike Ryan. Nate Thrower is the best bodyguard in the business. Whether he's helping The Silencer or The Eliminator or working on his own cases, there is nobody better. If you need a bodyguard, there's one man that rises above the rest: Nate Thrower. The Bodyguard Nate Thrower is in Mexico, barely finished with one job when another one literally shows up at his doorstep. He's hired by Manuel Ortiz, a wealthy CEO who's been receiving threats. The threats soon escalate into violence with everyone in the Ortiz family now directly in danger. People are getting hurt. With things spiraling out of control, Thrower makes a call to an old friend to help him out of the jam. Together they'll silence their opponents and eliminate the threat. All In Thrower is hired by Logan Yarbrough, who is the agent for model Monica St. James. She has been receiving threats, but she's also scheduled to leave the country to go on some photo shoots across Europe. While Thrower and St. James don't mix well at first, they soon develop an affection for each other. While in Europe, they're in almost constant danger. And in order to get out of this, he's going to have to figure out who's behind the threats on St. James' life. Once he does, the answer is surprising and not what he suspected. But he'll do what it takes to protect his client and take the fight to his enemies, no matter what it takes. Whatever It Takes. A photographer and his girlfriend hire Thrower for protection after a few questionable incidents. But it doesn't take Thrower long to get knee-deep into things as he

gets involved before he even really knows what's happening. As The Bodyguard protects his clients, he starts to unravel what the attackers really want. It's assumed the photographer took pictures of something he wasn't supposed to, but it goes much deeper than that. For Thrower, he'll do whatever it takes to protect them and find out what the truth really is. Halfway Gone: Thrower is in the small town of Redgate finishing up a case. Or so he thought. Just as he's about to leave town, he's attacked, drawing him back in to figure out what is going on and whether he's really as done with his case as he thought he was. As Thrower tries to unravel the mystery, he gets thrown even deeper into a mess: Murder, arson, a jail stint, and someone trying to kill him multiple times. There's no shortage of obstacles on Thrower's plate. There's something going on in Redgate, and it's someone with power behind it. But will Thrower be able to figure out who that is before his client pays the ultimate price?
