**God** Kelly Ryan Harriger,2009-05 Does God really exist Or is He just a grandiose delusion passed down through the millennia to help us deal with our nagging need to find a purpose for our existence The author grew up in a believing household never questioning the existence of God but as he grew older and more interested in his faith he developed a driving need to know whether or not his faith was justified A totally blind faith one that couldn t be supported with any hard evidence just wouldn t do If God was real then He must have left a trail of evidence for a rational thinker to follow But if there wasn t any trail to follow then all faith would be blind and any faith would do as it would become little more than a set of guidelines to follow in an attempt to lead a spiritual and moral life The author began his exploratory journey with a set of questions that needed to be answered Do any of the world s religious scriptures reveal information that has parallels in scientific discovery Do any of the world s religious scriptures offer specific prophecies that have unfolded in recorded history And lastly did any of the world s religious scriptures provide a blueprint for living that could drastically change one s life from the inside out As he sought answers to these questions he discovered an overwhelming amount of supporting evidence but it came with a catch it all pointed in one decisive direction KELLY RYAN HARRIGER lives in Pennsylvania He spent most of his working career in Los Angeles California as a professional writer in the world of advertising marketing and entertainment before returning to his boyhood home in Pennsylvania where he now works as a marketing and advertising consultant for small businesses and non profit groups *The Blessing of Boundaries* Lauren Bell,2005-04 You cannot live a lifetime without limits In *The Blessing of Boundaries* Lauren Bell shares how God transformed her from an exhausted perfectionist to a joyful believer *The Collected Works of Witness Lee, 1959, volume 2* Witness Lee, *The Collected Works*
