**Millennium and Other Stories (Revised)** Matthew Theisen, 2020-07-23 Coyote is not the most reliable character in the galaxy but when Lady Nature commissions him for a job he takes it for the promised reward There are however contrary personages whom desire to have their own schemes and story lines prevail Whether to stay a free agent or enlist in a group becomes of paramount importance as the struggles intensify Characters want their own versions of stories with their own images yet for that to occur they must be an individual which can be a dangerous thing in battling societies of divisive factions Coyote's Song Part One is written in pentameter rhyming couplets Millennium and Other Stories explores how family life has changed in America with new figures rising daily as role models to adopt humans as wayward children whom require eternal vigilance The scripts supplied to people are vapid renditions of mass produced corporate art The only uniqueness is an unoriginal sin of art theft the good and bad is decided by bottom line profit The revised collection of nine stories contains a variety of genres and how characters are inspired by sundry authors be it Ganesha or Raymond Chandler in different systems on collision courses *Locating Shakespeare in the Twenty-First Century* Gabrielle Malcolm, Kelli
