Rose Murray's A-Z Vegetable Cookbook Rose Murray, 2015-06-08 Here's a must-have for all home cooks and food lovers. The 250 recipes in this collection show the incredible range of tasty vegetables available from Canada's farmers, fields, gardens, markets, and stores. There are delicious vegetable mains like Curried Harvest Vegetables with Lentils and Portobello Burgers, and enjoyable sides like Kale Chips, Shredded Sprouts Sautéed with Pancetta, Beet and Stilton Salad, and Fiddleheads Sautéed with Morels. A household name on the Canadian food scene for over three decades, Rose Murray is respected for her knowledge of the country's food from farm to table. During her travels across Canada to learn about the country's food and culinary traditions first-hand, she has fished for salmon off Vancouver Island, enjoyed fall suppers in northern Saskatchewan, gathered wild rice in northern Ontario, picked berries on the Gaspé, and on Cape Breton Island, and dug for clams on Prince Edward Island. Rose Murray's first vegetable cookbook was published in 1983 with 150 recipes. This new cookbook includes many recipes from that earlier book, revised and updated, plus more than 100 new recipes. Every recipe in this collection has been carefully tested for home cooks. **Running Times**, 2008-09 Running Times magazine explores training from the perspective of top athletes, coaches, and scientists; rates and profiles elite runners; and provides stories and commentary reflecting the dedicated runner's worldview. **Meals for Two: Low Carb Recipe Magic** Rene Averett, 2023-01-07 Living a low-carb lifestyle doesn't mean your meals have to be boring with the same old salad day after day. This cookbook is filled with recipes I used while I was losing weight and continue to use to maintain the loss. It offers over a dozen recipes in each chapter for appetizers, breakfast, brunch, side dishes, breads, desserts, and over two dozen dinner options. The book includes photos of all the foods and nutrition information on each dish. All recipes are written with

two to four people in mind so you don't have four days worth of food to eat day after day or store in the fridge or freezer. But they are easily doubled to feed more people. Enjoy great dinners with pork and butternut squash, salmon and bacon chicken with chopped crookneck squash and other creative ways to enjoy favorite meals cooked without high starch items such as potatoes, pasta and rice. Indulge yourself. Since all these recipes are under 10 net carbs per serving, most less, they work well with a Keto plan.

To The Table With Love Douglas Poe, 2012-01-12. This cookbook is a collection of recipes that I have prepared over the years for family, friends and gatherings. From appetizers like crab salad in wonton cups to a hearty chicken noodle soup. Main courses and side dishes that your family will love from award-winning porcupine meat balls to Mom's mouthwatering deviled eggs. Of course, there are plenty of delectable sweets to choose from. Maybe a super moist hummingbird cake or some pecan dreams. The most fun was gathering the recipes and reliving memories of making them. Hope you'll enjoy these recipes as much as I had putting them all together.
