Novel Approaches for Studying Creativity in

Problem-Solving and Artistic Performance Philip Fine, Amory H. Danek, Kathryn Friedlander, Ian Hocking, William Forde Thompson, 2020-01-31

Humorous Discourse Wladyslaw Chlopicki, Dorota Brzozowska, 2017-10-23 This book attempts to discuss selected but thorny issues of humor research that form the major stumbling blocks as well as challenges in humor studies at large and thus merit insightful discussion Any discourse is action so the text creation process is always set in a non verbal context built of a social and communicative situation and against the background of relevant culture On the other hand humor scholars claim that humorous discourse has its special essential features that distinguish it from other discourses The pragmatic solution to the issue of potential circularity of humor defined in terms of discourse and discourse in terms of humor seems only feasible and thus there is a need to discuss the structure and mechanisms of humorous texts and humorous performances The chapters in the present volume contributed by leading scholars in the field of humor studies address the issues from various theoretical perspectives from contextual semantics through General Theory of Verbal Humor cognitive linguistics discourse studies sociolinguistics to Ontological Semantic Theory of Humor providing an excellent overview of the field to novices and experts alike

Egyptian Things

Edward William Kelting, 2024 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more After the deaths of Antony and Cleopatra Rome finally took control of Egypt This occupation simultaneously facilitated and circumscribed the exchange of goods people and ideas along the paths carved across Rome s burgeoning empire In this book Edward Kelting sets out to recapture one of these systems of exchange the vibrant literary tradition known as Aegyptiaca or Egyptian things in which culturally mixed

authors wrote about Egypt for a Greek and Roman audience These authors have been dismissed as not really Egyptian and their contemporary popularity has been ignored But as Kelting powerfully argues this genre in fact constitutes a vibrant intellectual tradition developed from heterogeneous influences but deeply engaged with Egypt's pharaonic past In contrast to usual narratives of Roman domination Kelting uncovers a complex project of political engagement and cultural translation in which Egyptians Greeks and Romans all participated *A Change Is Gonna Come* Craig Werner, 2006-01-09 The new edition of the groundbreaking chronicle of forty years of black music in America *Choice*, 2008 **Themelios, Volume 40, Issue 3** D. Doyne Farmer, 2024-04-25 Doyne Farmer is the world's leading thinker on technological change For decades he has focused on the question of how we can make sense of the data of today to see where the world is going tomorrow This wonderful book applies these insights to economics addressing the big global issues of environmental sustainability and the well being and prosperity of people around the world Max Roser Founder of Our World in Data We live in an age of

increasing complexity where accelerating technology and global interconnection hold more promise and more peril than any other time in human history As well as financial crises issues around climate change automation growing inequality and polarization are all rooted in the economy yet standard economic predictions fail us Many books have been written about Doyne Farmer and his pioneering work in chaos and complexity theory Making Sense of Chaos is the first in his own words presenting a manifesto for doing economics better In a tale of science and ideas Farmer fuses his profound knowledge with stories from his life to explain how to harness a scientific revolution to address the economic conundrums facing society Using big data and ever more powerful computers we can for the first time apply complex systems science to economic activity building realistic models of the global economy The resulting simulations and the emergent behaviour we observe form the cornerstone of complexity economics This new science Farmer shows will allow us to test ideas and make significantly better economic predictions and ultimately create a better world

White Men Can't Hump (As Good As Black Men) Todd Wooten, 2006-10 White Men Can't Hump is a book of hope The hope is that one day Black Men in America will no longer be viewed as unintelligent unattractive undesirable uncivilized and just plain old worthless White Men Can't Hump will address why Black Men in America are perceived in such a negative way and will also explore the origins of this negativity White Men Can't Hump will also explore how this negativity has been spread for the last four centuries a la stereotypes and why this negativity has been spread a la Fear of the Black Penis Several of these so called negative Stereotypes will be closely examined and shown in a new light White Men Can't Hump will ask why two well known Stereotypes that have been historically assigned to Black Men are only considered negative when applied to Black Men Most men desire a large Penis and an elevated sexual prowess but all across America in offices bars and locker rooms the Black Penis and Black Prowess are routinely the Punch Line to jokes White Men Can't Hump will ask why and will also ask a question that will create a debate for the ages Who's better in bed Black Men or White Men White Men Can't Hump will take you the reader on an educational and enlightening journey through America's past and present with the hope of changing America's future So sit back and enjoy or cuss agree or disagree and most importantly think with an open mind Because whether you like it or not White Men Can't Hump tells the story of who all of us are where we've come from and where we're going White Men Can't Hump is divided into two VOLUMES VOLUME I focuses on how Sex has historically affected Race relations in America and VOLUME II focuses on how Race has affected Sex relations in America Don't be confused by the similar titles because both VOLUMES pack a different Sexual Racial Political and Social punch For more information feel free to visit www.whitemencanthump.com Enjoy the ride my friend

When the People Speak James S. Fishkin, 2011 All over the world democratic reforms have brought power to the people but under conditions where the people have little opportunity to think about the power that they exercise In this book James Fishkin combines a new theory of democracy with actual practice and shows how an idea that harks back to ancient Athens can be used to revive

our modern democracies When the People Speak outlines deliberative democracy projects conducted by the author with various collaborators in the US China Britain Denmark Australia Italy Bulgaria Northern Ireland and in the entire European Union These projects have resulted in the massive expansion of wind power in Texas the building of sewage treatment plants in China and greater mutual understanding between Catholics and Protestants in Northern Ireland
