Punjab School Education Board Syllabi:

Administration of Education Boards in India Om Parkash Sharma, 1991 **Modern Biology** V. B. Rastogi, 1997
Parkash Singh Badal S. R. Bakshi, Sita Ram Sharma, S. Gajnani, 1998 Educational Administration in Punjab National Institute of Educational Planning and Administration (India), 1979 **Life Beyond A Village** P. Raj Saini, 2018-02-17 *Life Beyond A Village* **Basic Principles of Physics** K. K. Mohindroo, 1997 *A Study of the Sikh Kanya Mahavidyalaya* Tripti Bassi, 2021-07-01 This book addresses the issue of Sikh women's education in Punjab within the larger discourse of women's education in India. It focuses on the role of the Sikh Kanya Mahavidyalaya SKM, one of the most important educational institutions established in the nineteenth century as a result of the Sikh reformist movement in Punjab. It explores how various dimensions of caste, class, gender, and religion generate a variety of approaches to the culture of literacy and takes a closer look at the relevance of the Sikh Kanya Mahavidyalaya in today's India and its contribution to the area of educational pedagogy. It focuses on gender in education, specifically discourses and practices in women's education. In addition to providing valuable insights and critical evidence that can be used in the planning and implementation of education and gender policies, the book is sure to spark conversations in courses and professional communities interested in education, gender studies, history, sociology, as well as overlooked dimensions of gender history. **The Shias of Pakistan** Andreas Rieck, 2016-01-15 The Shias of Pakistan are the world's second largest Shia community after that of Iran but comprise only 10-15 per cent of Pakistan's population. In recent decades, Sunni extremists have increasingly targeted them with hate propaganda and terrorism, yet paradoxically, Shias have always been fully integrated into all sections of political, professional, and social life without suffering any discrimination. In mainstream politics, the Shia-Sunni divide has never been an issue in Pakistan. Shia politicians in Pakistan have usually downplayed their religious beliefs, but there have always been individuals and groups who emphasised their Shia identity and who zealously campaigned for equal rights for the Shias wherever and whenever they perceived these to be threatened. Shia ulama have been at the forefront of communal activism in Pakistan since 1949, but Shia laymen also participated in such organisations as they had in pre-partition India. Based mainly on Urdu sources, Rieck's book examines first the history of Pakistan's Shias, including their communal organisations, the growth of the Shia ulama class, religious schools, and rivalry between orthodox ulama and popular preachers; second, the outcome of lobbying of successive Pakistan governments by Shia organisations; and third, the Shia-Sunni conflict, which is increasingly virulent due to the state's failure to combat Sunni extremism. *Programmed Learning* Punam Chopra, 2008
