ROLLINS**

"JOHN ROBB IS SUPREMELY QUALIFIED TO TALK ABOUT PUNK ROCK."

—MICK JONES

Punk Rock An Oral History

Theo Cateforis

Punk Rock An Oral History:

Punk Rock John Robb, 2010-12-15 To see The Clash on the White Riot tour was like discovering how to be a rock star you just did it yourself You didn't wait for someone to come and discover you That was the most important thing that came out of punk We came home and we cut our hair and bought skinny trousers It was year zero That was the moment for me Billy Bragg Punk Rock is a book like no other It is an oral history of a radical movement which exploded in Seventies Britain With its own clothes hair artwork fanzines and radical politics Punk boasted a DIY ethos that meant anyone could take part The scene was uniquely vibrant and energetic leaving an extraordinary legacy of notorious events charismatic characters and inspirational music John Robb has spent over a year interviewing more than 100 contributors including Glen Matlock Mick Jones Don Letts Slash Billy Bragg Hugh Cornwell and Captain Sensible Now for the first time they give the inside view on events such as The Sex Pistols swearing live on the Bill Grundy TV show and staging their anti Jubilee riverboat party on the Thames famous gigs at The Roxy and 100 Club and the groundbreaking records by The Pistols The Clash The Damned and others From the widely debated roots of punk in the late Sixties through to the fallout of the post punk period in 1984 and the ongoing influence on today's bands Punk Rock is the definitive oral history of an inimitable and exciting movement

PUNK ROCK: AN ORAL HISTORY; ED. BY OLIVER CRASKE. JOHN. ROBB, 2006 Please Kill Me Legs McNeil, André Malraux, Gillian McCain, 2006 Now in paperback this first oral history of the most nihilistic of all pop movements brings the sound of the punk generation chillingly to life with 50 new pages of depraved testimony Please Kill Me reads like a fast paced novel but the tragedies it contains are all too human and all too real photos *The Oxford Handbook of Punk Rock* George McKay, Gina Arnold, 2025-05-06 No Future Punk is Dead That is what was sung and said Yet as we approach 50 years of punk rock it still endures and sometime thrives From White riot to Pussy Riot Never Mind the Bollocks to Nevermind DIY to never gonna die punk rock has marked or stained it marks or stains our musical and cultural history and practice Here key established writers as well as emerging scholars from around the world offer critical views on punk practice and legacy in a timely re evaluation of its significance as music culture politics nostalgia heritage The handbook looks at pre and proto punk forms the high years of c 1976-84 the international spread of the music and style punk media from films to fanzines as well as a thread that may run through its entire history the inspiring politics of DIY Do It Yourself Crossing and blurring disciplinary boundaries it presents methodological innovations to offer new ways of understanding punk's significance The Oxford Handbook of Punk Rock also identifies and explores some of punk's core contradictions its anti war messages alongside its often gendered violence its anti racism alongside its dominant whiteness its energy and attitudinality as a youth culture for an aging demographic its intermittent but persistent flirtations with populism and nationalism *Punk Rock* Mindy Clegg, 2022-08-01 Punk Rock examines the history of punk rock in its totality Punk became a way of thinking about the role of culture and community in modern life Punks forged real alternatives to producing popular

music and built community around their music This punk counterpublic forged in the late Cold War period spanned the globe and has provided a viable cultural alternative to alienated young people over the years This book starts with the rise of modernity and places the emergence of punk as a musical subculture into that longer historical narrative It also reveals how punk itself became a contested terrain as participants sought to imbue the production of music with greater meaning It highlights all styles of punk and its wide variety of creators around the world including from the LGBTQ feminist and alternative communities Punk was and remains a transnational phenomenon that influences music production and shapes our understanding of culture s role in community building

Punk Rock in Comics! Thierry Lamy,Nicolas Finet,2025-03-18 Here is the can t miss overview of the punk rock scene from its early inception in the seventies in New York and the UK Includes chapters on The Ramones The Sex Pistols and more Punk was also the flex point for women in rock that paved the way for the Riot Grrrl movement like Siouxsie and the Banshees Blondie The Runaways Patti Smith and The Slits Flashing the finger against the slick corporate rock of the 70s punk was faster messier and louder than anything before it Covered here with the same raw energy look and attitude as the music itself

Dead Kennedys Alex Ogg,2014-07-01 Dead Kennedys routinely top both critic and fan polls as the greatest punk band of their generation Their debut full length Fresh Fruit for Rotting Vegetables in particular is regularly voted among the top albums in the genre Fresh Fruit offered a perfect hybrid of humor and polemic strapped to a musical chassis that was as tetchy and inventive as Jello Biafra s withering broadsides Those lyrics cruel in their precision were revelatory But it wouldn t have worked if the underlying sonics were not such an uproarious rush the paraffin to Biafra s naked flame Dead Kennedys continuing influence is an extraordinary achievement for a band that had practically zero radio play and only released records on independent labels They not only existed outside of the mainstream but were as V Vale of Search and Destroy noted the first band of their stature to turn on and attack the music industry itself The DKs set so much in motion They were integral to the formulation of an alternative network that allowed bands on the first rung of the ladder to tour outside of their own backyard They were instrumental in supporting the concept of all ages shows and spurned the advances of corporate rock promoters and industry lapdogs They legitimized the notion of an American punk band touring internationally while disseminating the true horror of their native country s foreign policies effectively serving as anti ambassadors on their travels The book uses dozens of first hand interviews photos and original artwork to offer a new perspective on a group who would become mired in controversy almost from the get go It applauds the band s key role in transforming punk rhetoric both polemical and musical into something genuinely threatening and enormously funny The author offers context in terms of both the global and local trajectory of punk and while not flinching from the wildly differing takes individual band members have on the evolution of the band attempts to be celebratory if not uncritical

Relient K, Punk Rock is My Religion Francis Stewart,2017-06-26 As religion has retreated from its position and role of being the glue that holds society together something must take its place Utilising a focused and detailed

study of Straight Edge punk a subset of punk in which adherents abstain from drugs alcohol and casual sex Punk Rock is My Religion argues that traditional modes of religious behaviours and affiliations are being rejected in favour of key ideals located within a variety of spaces and experiences including popular culture Engaging with questions of identity construction through concepts such as authenticity community symbolism and music this book furthers the debate on what we mean by the concepts of religion and secular Provocatively exploring the notion of salvation redemption forgiveness and faith through a Straight Edge lens it suggests that while the study of religion as an abstraction is doomed to a simplistic repetition of dominant paradigms being willing to examine religion as a lived experience reveals the utility of a broader and more nuanced approach

Stealing All Transmissions Randal Doane, 2014-10-15 Stealing All Transmissions is a love story It s the story of how The Clash fell in love with America and how America loved them back The romance began in full in 1977 when select rock journalists and deejays aided the band s quest to depose the rock of indolence that dominated American airwaves This history situates The Clash amid the cultural skirmishes of the 1970s and culminates with their September 1979 performance at the Palladium in New York City This concert was broadcast live on WNEW and it concluded with Paul Simonon treating his Fender bass like a woodcutter s ax This performance produced one of the most exhilarating Clash bootleg recordings and the photo of Simonon s outburst which graced the cover of the London Calling LP was recently deemed the greatest rock n roll photograph of all time That night marked one of the last opportunities for American audiences to see The Clash as a punk band teetering between conviction and uncertainty before they became a seriously brilliant rock group Stealing represents a distinctive take on the history of punk for no other book gives proper attention to the forces of free form radio long form rock journalism or Clash bootleg recordings many of which are now widely available on the web This story which takes its title from the 1981 single Radio Clash includes original interviews with key figures from the New York punk scene This secret history concludes with an analysis of how we listen to music today and its impact on the written word

The Rock History Reader Theo Cateforis, 2019-01-15 This eclectic compilation of readings tells the history of rock as it has been received and explained as a social and musical practice throughout its six decade history This third edition includes new readings across the volume with added material on the early origins of rock n roll as well as coverage of recent developments including the changing shape of the music industry in the twenty first century With numerous readings that delve into the often explosive issues surrounding censorship copyright race relations feminism youth subcultures and the meaning of musical value The Rock History Reader continues to appeal to scholars and students from a variety of disciplines New to the third edition Nine additional chapters from a broad range of perspectives Explorations of new media formations industry developments and the intersections of music and labor For the first time a companion website providing users with playlists of music referenced in the book Featuring readings as loud vibrant and colorful as rock n roll itself The Rock History Reader is sure to leave readers informed inspired and perhaps even infuriated but never bored

British Rock Modernism, 1967-1977 Barry J.

Faulk, 2016-05-23 *British Rock Modernism 1967-1977* explains how the definitive British rock performers of this epoch aimed not at the youthful rebellion for which they are legendary but at a highly self-conscious project of commenting on the business in which they were engaged. They did so by ironically appropriating the traditional forms of Victorian music hall. Faulk focuses on the mid to late 1960s when British rock bands who had already achieved commercial prominence began to aspire to aesthetic distinction. The book discusses recordings such as the Beatles' *Magical Mystery Tour* album, the Kinks' *The Village Green Preservation Society* and the Sex Pistols' *Never Mind the Bollocks, Here's the Sex Pistols* and television films such as the Beatles' *Magical Mystery Tour* and the Rolling Stones' *Rock and Roll Circus* that defined rock's early high-art moment. Faulk argues that these texts disclose the primary strategies by which British rock groups, mostly comprised of young working and lower middle-class men, made their bid for aesthetic merit by sampling music hall sounds. The result was a symbolically charged form whose main purpose was to unsettle the hierarchy that set traditional popular culture above the new medium. Rock groups engaged with the music of the past in order both to demonstrate the comparative vitality of the new form and signify rock's new art status compared to earlier British pop music. The book historicizes punk rock as a later development of earlier British rock rather than a rupture. Unlike earlier groups, the Sex Pistols did not appropriate music hall form in an ironic way, but the band and their manager Malcolm McLaren were obsessed with the meaning of the past for the present in a distinctly modernist fashion.

Punk Rock Warlord: the Life and Work of Joe Strummer Barry J. Faulk, Brady Harrison, 2017-09-28 *Punk Rock Warlord* explores the relevance of Joe Strummer within the continuing legacies of both punk rock and progressive politics. It is aimed at scholars and general readers interested in The Clash, punk culture and the intersections between pop music and politics on both sides of the Atlantic. Contributors to the collection represent a wide range of disciplines including history, sociology, musicology and literature; their work examines all phases of Strummer's career from his early days as Woody the busker to the whirlwind years as front man for The Clash to the wilderness years and Strummer's final days with the Mescaleros. *Punk Rock Warlord* offers an engaging survey of its subject while at the same time challenging some of the historical narratives that have been constructed around Strummer, the Punk Icon. The essays in *Punk Rock Warlord* address issues including John Graham Mellor's self-fashioning as Joe Strummer, rock revolutionary, critical and media constructions of punk and the singer's complicated and changing relationship to feminism and anti-racist politics. These diverse essays nevertheless cohere around the claim that Strummer's look, style and musical repertoire are so rooted in both English and American cultures that he cannot finally be extricated from either.

Zerox Machine Matthew Worley, 2024-05-13 A visual history of the artists, fans and fanzines of widely influential British punk, *Zerox Machine* is an immersive journey through the vibrant history of British punk and its associated fanzines from 1976 to 1988. Drawing on an extensive range of previously unpublished materials sourced from private collections across the United Kingdom, Matthew Worley describes and analyzes this transformative era, providing an intimate glimpse into the hopes and anxieties that shaped

a generation Far more than a showcase of covers Zerox Machine examines the fanzines themselves offering a rich tapestry of firsthand accounts personal stories and subcultural reflections With meticulous research and insightful analysis this book captures the spirit and essence of British youth culture shedding new light on a pivotal movement in music history and offering a unique alternative history of Britain in the 1970s and 80s *Live from the Underground* Katherine Rye Jewell,2023-11-07 Bands like R E M U2 Public Enemy and Nirvana found success as darlings of college radio but the extraordinary influence of these stations and their DJs on musical culture since the 1970s was anything but inevitable As media deregulation and political conflict over obscenity and censorship transformed the business and politics of culture students and community DJs turned to college radio to defy the mainstream and they ended up disrupting popular music and commercial radio in the process In this first history of US college radio Katherine Rye Jewell reveals that these eclectic stations in major cities and college towns across the United States owed their collective cultural power to the politics of higher education as much as they did to upstart bohemian music scenes coast to coast Jewell uncovers how battles to control college radio were about more than music they were an influential if unexpected front in the nation s culture wars These battles created unintended consequences and overlooked contributions to popular culture that students DJs and listeners never anticipated More than an ode to beloved stations this book will resonate with both music fans and observers of the politics of culture Sounds French Jonathyne Briggs,2015 Sounds French reveals how French society mediated the challenges of globalization through the consumption and production of popular music itself increasingly an expression of globalized culture As recorded music became more commonplace and crossed national boundaries in the second half of the twentieth century French musicians and their audiences articulated new types of communal identities around popular music genres that reflected the impact of social political economic and cultural transformations after the 1950s *Punk Rock: So What?* Roger Sabin,2002-09-11 It s now over twenty years since punk pogo ed its way into our consciousness Punk Rock So What brings together a new generation of academics writers and journalists to provide the first comprehensive assessment of punk and its place in popular music history culture and myth The contributors who include Suzanne Moore Lucy OBrien Andy Medhurst Mark Sinker and Paul Copley challenge standard views of punk prevalent since the 1970s They re situate punk in its historical context analysing the possible origins of punk in the New York art scene and Manchester clubs as well as in Malcolm McClarens brain question whether punk deserves its reputation as an anti fascist anti sexist movement which opened up opportunities for women musicians and fans alike trace punks long lasting influence on comics literature art and cinema as well as music and fashion from films such as Sid and Nancy and The Great Rock n Roll Swindle to work by contemporary artists such as Gavin Turk and Sarah Lucas discuss the role played by such key figures as Johnny Rotten Richard Hell Malcolm McClaren Mark E Smith and Viv Albertine Punk Rock Revisited kicks over the statues of many established beliefs about the meaning of punk concluding that if anything punk was more culturally significant than anybody

has yet suggested but perhaps for different reasons *Route 19 Revisited* Marcus Gray,2010-10-01 Twenty eight years after its original release The Clash s London Calling was inducted into the Grammy Hall of Fame as a recording of lasting qualitative or historical significance It topped polls on both sides of the Atlantic for the best album of the seventies and eighties and in publications as wide ranging as Rolling Stone VIBE Pitchfork and NME and it regularly hits the top ten on greatest albums of all time lists Even its cover the instantly recognizable image of Paul Simonon smashing his bass guitar has attained iconic status inspiring countless imitations and even being voted the best rock n roll photograph ever by Q magazine Now the breakthrough album from the foremost band of the punk era gets the close critical eye it deserves Marcus Gray examines London Calling from every vantage imaginable from the recording sessions and the state of the world it was recorded in to the album s long afterlife bringing new levels of understanding to one of punk rock s greatest achievements Leaving no detail unexplored he provides a song by song breakdown covering when each was written and where what inspired each song and what in turn each song inspired making this book a must read for Clash fans Alternative Rock ,

The Sex Pistols on Screen Stephen Glynn,2025-03-26 This unique book demonstrates the central importance of visual media to the significance of British Punk rock pioneers the Sex Pistols beginning with their nation shocking television interview with Bill Grundy in December 1976 Supported by an examination of surrounding documentary and fictional texts The Sex Pistols on Screen centres on four key film and television streaming depictions with and about the four man group across four decades namely The Great Rock n Roll Swindle Temple 1980 Sid and Nancy Cox 1986 The Filth and the Fury Temple 2000 and Pistol Boyle 2022 Though promising an oppositional stance these works consistently demonstrate how the mainstream media disarm and commodify any genuine sense of mid 1970s anarchy In addition their differing personal perspectives exemplify the subjectivity and self interested advocacy of all historical interpretation Nonetheless they still provide a sense of the empowering hit delivered by the Sex Pistols pugnacious music and galvanic live performances Accessible yet academically rigorous The Sex Pistols on Screen is a significant study of the visual media s importance in forging reworking and reviving both the history and reputation of this seminal band It will appeal both to the general reader and students of film television media and cultural and popular music studies

Punk Rock An Oral History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Punk Rock An Oral History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Punk Rock An Oral History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Punk Rock An Oral History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Punk Rock An Oral History Books

1. Where can I buy Punk Rock An Oral History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Punk Rock An Oral History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Punk Rock An Oral History books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
