**Gramophone** , 2009      *Mediaevalia* , 1985      **García Lorca at the Edge of Surrealism** David F. Richter, 2014-10-15

García Lorca at the Edge of Surrealism The Aesthetics of Anguish examines the variations of surrealism and surrealist theories in the Spanish context studied through the poetry drama and drawings of Federico García Lorca 1898 1936 In contrast to the idealist and subconscious tenets espoused by surrealist leader André Breton which focus on the marvelous automatic creative processes and sublimated depictions of reality Lorca's surrealist impulse follows a trajectory more in line with the theories of French intellectuals such as Georges Bataille 1897 1962 who was expelled from Breton's authoritative group Bataille critiques the lofty goals and ideals of Bretonian surrealism in the pages of the cultural and anthropological review Documents 1929 1930 in terms of a dissident surrealist ethno poetics This brand of the surreal underscores the prevalence of the bleak or darker aspects of reality crisis primitive sacrifice the death drive and the violent representation of existence portrayed through formless base matter such as blood excrement and fragmented bodies The present study demonstrates that Bataille's theoretical and poetic expositions including those dealing with the formless and the somber emptiness of the void engage the trauma and anxiety of surrealist expression in Spain particularly with reference to the anguish desire and death that figure so prominently in Spanish texts of the 1920s and 1930s often qualified as surrealist Drawing extensively on the theoretical cultural and poetic texts of the period García Lorca at the Edge of Surrealism offers the first book length consideration of Bataille's thinking within the Spanish context examined through the work of Lorca a singular proponent of what is here referred to as a dissident Spanish surrealism By reading Lorca's surrealist texts including Poeta en Nueva York Viaje a la luna and El público through the Bataillean lens this volume both amplifies our understanding of the poetry and drama of one of the most important Spanish writers of the twentieth century and expands our perspective of what surrealism in Spain means      **The Athenaeum** , 1899      *Marta the Divine* Tirso de Molina, 2012 Tirso de Molina's Marta the Divine c 1614 15 is a spirited comedy about an ingenious young woman who fakes religious piety in order to avoid an arranged marriage imposed upon her by her father Marta's false religiosity becomes a cover for sneaking her boyfriend into her house and to all intents and purposes having a sexual relationship with him without her credulous father suspecting a thing The stakes involved in this risky gambit are particularly high because her boyfriend Felipe is also the man who has killed her brother In this fast moving play that celebrates the victory of youth over age of love over revenge little is held sacred as circumstances spiral to the point of outrageousness Not surprisingly Marta has been a controversial play over the years condemned for immorality and salaciousness by some championed as an anticlerical tract by others Readers and audience members over the years have puzzled as to what Tirso wants us to make of the title character and her behaviour Is she a cautionary example a sly hypocrite whom we are to hold at a critical distance Or she is a sympathetic comic heroine

even a proto feminist whose cause we are to embrace No matter one's perspective Marta is memorable because of the audaciousness and resourcefulness of the title character Marta is a great stage creation and the plot Tirso builds around this trickster has the feel of the archetypal transcending the time and place of its creation At the same time Marta is a surprisingly comprehensive satire of the Spanish empire of its day Through a variety of subtle touches Tirso paints a picture of an imperial capital plagued by avarice and hypocrisy The play has some puzzling elements or problems from a technical point of view but the irresistible force of its comic energy has appealed to readers and audiences for nearly 400 years This edition presents the play for the first time ever in English translation The translation is accompanied by the Spanish text translators note and a substantial introduction *Vocabolario Degli Accademici Della Crusca*, 1731 "Women, Patronage, and Salvation in Renaissance Florence" Stefanie Solum, 2017-07-05 Long obfuscated by modern definitions of historical evidence and art patronage Lucrezia Tornabuoni de Medici's impact on the visual world of her time comes to light in this book the first full length scholarly argument for a lay woman's contributions to the visual arts of fifteenth century Florence This focused investigation of the Medici family's domestic altarpiece Filippo Lippi's Adoration of the Christ Child is broad in its ramifications Mapping out the cultural network of gender piety and power in which Lippi's painting was originally embedded author Stefanie Solum challenges the received wisdom that women played little part in actively shaping visual culture during the Florentine Quattrocento She uses visual evidence never before brought to bear on the topic to reveal that Lucrezia Tornabuoni shrewd power broker pious poetess and mother of the Magnificent Lorenzo de Medici also had a profound impact on the visual arts Lucrezia emerges as a fascinating key to understanding the ways in which female lay religiosity created the visual world of Renaissance Florence The Medici case study establishes at long last a robust historical basis for the assertion of women's agency and patronage in the deeply patriarchal and artistically dynamic society of Quattrocento Florence As such it offers a new paradigm for the understanding and future study of female patronage during this period The New Yorker Harold Wallace Ross, Katharine Sergeant Angell White, 1974 **Il Soldo** Enrico Ghinzel, 1885 **Dwight's Journal of Music**, 1968 Los Angeles Saturday Night, 1931-04 **Saturday Review**, 1948 Saturday Review of Literature, 1948-07 *Twentieth-century Italian Poets* Giovanna Wedel De Stasio, Glauco Cambon, Antonio Illiano, 1993 Essays on Italian poets publishing between the end of World War II to the mid 1990s **The Musical Standard**, 1873 **The Court Journal**, 1835 Bibliothèque d'humanisme et Renaissance, 1966 Forum Italicum, 2008 **Athenaeum Studi periodici di letteratura e storia dell'antichità**, 1991 Studi periodici di letteratura e storia dell'antichità
