Therapeutic Modalities Kenneth Knight, Kenneth L. Knight, David O. Draper, 2012-02-15 Authored by two leading researchers in the athletic training field the Second Edition of *Therapeutic Modalities The Art and Science* provides the knowledge needed to evaluate and select the most appropriate modalities to treat injuries The authors use an informal student friendly writing style to hold students interest and help them grasp difficult concepts The unique approach of the text teaches aspiring clinicians both the how and the why of therapeutic modality use training them to be decision making professionals rather than simply technicians The Second Edition is revised and expanded to include the latest research in therapeutic modalities New material has been added on evidence based practice and other areas such as pain treatment are significantly expanded It retains the successful format of providing the necessary background information on the modalities followed by the authors 5 Step Application Procedure New photos illustrations and case studies have also been added

Only Connect Thomas Newkirk, 1986 **Artspace** ,1989 *Documentation Abstracts* ,1993 **Wallaces Farmer** ,2005 *Parental Imprisonment and Children's Rights* Fiona Donson, Aisling Parkes, 2021-03-30 This book brings together internationally renowned academics and professionals from a variety of disciplines who in a variety of ways seek to understand the legal conceptual and practical consequences of parental imprisonment through a children s rights lens Children whose parents have been incarcerated are often referred to as invisible victims of crime and the penal system It is well accepted that the imprisonment of a parent even for a short period of time not only negatively affects the lives of children but it can also result in a gross violation of their fundamental human rights such as the right of access to their parent and the right to have an input into decision making processes affecting them the outcomes of which will without doubt affect the life of the child concerned This collection foregrounds the voice of these children as it explores transdisciplinary boundaries and examines the practice and development of the rights of both children and their families within the wider dynamic of criminal justice and penology practice The text is divided into three parts which are dedicated to 1 hearing the voices of children with parents in prison 2 understanding to what extent children s rights informs prison policy and 3 demonstrating how law in the form of children s rights can help frame both court sentencing and prison practice in a way that minimises the harm that contact with the prison system can cause The research drawn upon in this book has been conducted in a number of European countries and demonstrates both good and bad practice as far as the implementation of children s rights is concerned in the context of parental incarceration An accessible and compelling read this book will appeal to students and scholars of law children s rights criminology sociology social work psychology penology and all those interested in and working towards protecting the rights of children who have a parent in prison *The Philosopher's Index* ,2008 Vols for 1969 include a section of abstracts Dot to Dot for Older Kids Nicole Howard, 2020-12-23 The book offers 50 puzzles composed of different numbers of dots The complexity gradually increases from 94 to 368 dots At the end of the book
