**The Critical Twilight (Routledge Revivals)** John Fekete,2014-08-07 First published in 1977 this book was the first to map extensively the ideological typography of the Anglo American tradition of literary theory It interrogates comprehensively and in detail the assumptions and categorical development within critical ideas from I A Richards and T S Eliot through John Crowe Ransom and the New Criticism to Northrop Frye and Marshall McLuhan This analysis reveals the Anglo American tradition of literary cultural theory is most properly intelligible within the overall field of social consciousness as an ideology of progressive cultural rationalization Against a background of ideological development since nineteenth century Romanticism John Fekete illuminates the boundaries of literary ideology in relation to the shapes and changes of modern culture and society

*Wallace Stevens Checklist and Bibliography of Stevens Criticism* Samuel French Morse,Jackson R. Bryer,Joseph N. Riddel,1963 *Social Dance and the Modernist Imagination in Interwar Britain* Rishona Zimring,2016-12-05 Social dance was ubiquitous in interwar Britain The social mingling and expression made possible through non theatrical participatory dancing in couples and groups inspired heated commentary both vociferous and subtle By drawing attention to the ways social dance accrued meaning in interwar Britain Rishona Zimring redefines and brings needed attention to a phenomenon that has been overshadowed by other developments in the history of dance Social dance Zimring argues haunted the

interwar imagination as illustrated in trends such as folk revivalism and the rise of therapeutic dance education. She brings to light the powerful figurative importance of popular music and dance both in the aftermath of war and during Britain's entrance into cosmopolitan modernity and the modernization of gender relations. Analyzing paintings, films, memoirs, a ballet production, and archival documents in addition to writings by Virginia Woolf, D. H. Lawrence, Katherine Mansfield, Vivienne Eliot, and T. S. Eliot to name just a few, Zimring provides crucial insights into the experience, observation, and representation of social dance during a time of cultural transition and recuperation. Social dance was pivotal in the construction of modern British society as well as the aesthetics of some of the period's most prominent intellectuals. Puzzles and Epiphanies
