Punish Me, My Body Misinterpreted Miranda Cruz,2014-05-29 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking humiliation discipline punishment submission and dominance All characters are 18 or older Emma s young and handsome boss has always taken a special interest in his curviest employee ever since she first came to work for him at the age of sixteen After Emma loses the order form of a very important client he punishes her as he often has before with a sound spanking But on this occasion she settles onto his lap to savor her punishment under his strong hands only soon to find herself in the throes of a very loud orgasm When questioned she is

forced to admit that she has always been hopelessly aroused by the discipline her boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy she has never allowed herself to believe was possible

Excerpt After that long delightful moment had passed I opened my eyes He had stopped hitting me The room was quiet I could feel a dribble of liquid running down the inside of my thigh and seeping into the fabric of his pants Stand up Emma he said quietly Shakily and with his help I lifted myself off his legs and started to stand I wobbled for a moment and then found my balance and he took his steadying hands away I kept my eyes locked on the ground I couldn't bear to look at him That's never happened before he said his tone deceptively mild My cheeks burned hotter but I could not think of anything to say Would you care to explain it My eyes locked on the floor and my face growing redder still I shook my head I thought I was joking when I said you enjoyed being disciplined he said But it's true isn't it I bit my lip trying to tell myself this was all a bad dream and what had just happened had not actually happened All this time I thought I was punishing you when you got out of line but you've been enjoying it Answer me I drew in a shuddering breath and managed to look at his feet Yes sir I said I physically recoiled as the word sir emerged from my mouth again I'm sorry I blurted close to tears I never I mean it's just I didn't mean to I'm sorry I don't try to make you angry with me or anything It's just the way it affects me The way being around you I clamped a hand over my mouth horrified that I had said too much Even without glancing up I could feel the way he was looking at me I stared at the floor and noticed that my skirt was still pulled up and my panties still bunched Another hot wave of humiliation rose in me at the sight of my ripe over generous body exposed the way it was and I hurriedly straightened my underwear and pulled my skirt down Perhaps this explains a few things he said Maybe I should not be so surprised Maybe it's my fault that I did not see it before I dared a shy glance up at him to see how mad he looked To my relief his expression was thoughtful rather than the anger or betrayal I had dreaded seeing there Well clearly Emma the arrangement we have been operating under cannot continue can it You've given me a lot to think about Nervously I straightened my skirt again If only he would say something definite something to indicate how he felt about this I could not deny that a small part of me wanted him to be glad or maybe even a little intrigued But that was just a childish fantasy too much to hope for I think it would be best if you took the afternoon off he said after a moment But it's clear we need to talk about this when there isn't work to be done Come by my apartment would you after I've locked up for the night I bobbed and nodded Yes's I shook my head as though to clear it and began to move towards the door And Emma he said Yes You haven't lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room

Just Following Orders: Disciplined by my Billionaire Bosses Sage Reamen, 2014-08-31 Heather Jennings has been a bad girl It s not enough that she s been fantasizing about her domineering powerful boss stealing glances and dropping hints behind her boyfriend s back Now she s gone and upset the boss himself and the only thing left to do is submit herself to his particular brand of punishment As things escalate Heather finds herself caring less and less about her boyfriend as she puts herself completely at the mercy of the man just the way she likes it He reached down and unbuckled his belt I was so shocked I couldn t speak only sink back against the chair My eyes were wide my mouth hung slightly open and my heart was pounding in my chest like it would burst through at any moment That file he hissed as he slid the black leather from the loops of his pants was probably the most important piece of business we ve had all month It s going to cost the company hundreds of hours to re create it He took both ends of the belt in his right hand the long black loop hanging down I I wanted to apologize To say that it was a simple mistake and it wouldn t happen again The words wouldn t come My thighs clenched My breath caught in my throat Part of me was terrified dizzy with the idea that my boss would take this kind of action that he would be so arrogant as to presume he could act this way But another part of me wanted to moan aloud He always knew me knew me like the back of his hand He could get under my skin with a simple word leave me speechless with a subtle expression He liked it that way I could tell liked it more than was professionally appropriate And he knew that I did too This is what I d always wanted from a boss I d never told anyone about it never dared act on my feelings But this is exactly what I would fantasize about at night Or even more and more lately while

I was still at the office catching glimpses of my boss out of the corner of my eye or trying against all odds to keep up with his stern sometimes harsh commands Those times when my boyfriend couldn't get me off this is what I would envision to push me over the edge And now that it was actually happening I was helpless to resist the good little assistant about to get a sharp reprimand from her disappointed boss

Bosswomen: Men Dominated, Humiliated, and Spanked in the Workplace (Femdom, BDSM, Domination, Discipline, Spanking) Nina Nauheim, 2014-07-18 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play discipline punishment spanking anal sex submission and dominance All characters are 18 or older Bosswomen contains three Femdom BDSM themed stories of intense eroticism dominance and submission discipline spanking and humiliation in all forms Over Her Knee Jason's young and beautiful boss Joanna Roth has always taken a special interest in him ever since he first came to work for her at the age of sixteen After Jason loses the order form of a very important client she punishes him as she often has before with a sound spanking But on this occasion he settles onto Joanna's lap to take the punishment under her strict hands only to find his long secret feelings for her pushed out into the open by the unmistakable throes of orgasm When questioned Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants No Match for the Businesswoman For years Clay Phillips has been working nights and weekends to get his start up off the ground but when long overdue success begins to turn heads it attracts the attentions of heavy hitters that Clay is not prepared to contend with Such a one is Christine Rivers beautiful CEO of the Rosemont Group who has come to meet with Clay personally about the prospect of a buyout What begins as a bit of simple maneuver and professional strong arming soon becomes much more as the seductive and forceful businesswoman turns to more elaborate means of bringing Clay around to her point of view Threats physical dominance and sexual manipulation will all come into play before she has gotten her way and left Clay bruised and gasping on his office desk hungry for more Called to Her Office Chris has never been outgoing around his coworkers but it isn't until a new boss arrives to run the branch that he begins to regret his isolation in the work place For weeks he silently hungers for Ms Reese's attention until he is called in for a performance review Once the two are alone together it isn't long before all sorts of things are coming out into the open Not least among these revelations Veronica Reese has been painfully aware of Chris's desire for her attention and she intends to punish him for the inappropriate means he has employed to distract her from her professional duties Excerpt She produced another folded sheet of paper and laid it in front of me First you sign this contract finalizing the sale for the amount I've offered you It will make you a very rich man I managed to shake my head This is all happening too fast Too fast she repeated I thought I had been very generous with my time I have given you months to withdraw from my markets I can't I stammered She nodded as though deciding something for herself Do you know what it is like when a little startup like yours wanders in and starts trying to underbid companies like mine It is like a child that insists

on sitting at the grown ups table The child refuses to acknowledge objective reality It only understands one thing She pushed the stacks of paper which remained in the center of my desk off to the side One of them wobbled tipped and cascaded to the floor but she did not notice The only thing they understand Clay is a firm hand She was standing over me now and I had shrunk back into the chair Her sultry inviting manner had been replaced by the tone of utter authority I can make you regret your stubbornness in any number of ways I can underbid every contract you receive headhunt every name you hire and grind your company into the dirt until every last investor you have is serving you papers Is that what you want I stared up at her mute Stand up she said I stayed frozen in place Stand up she repeated You call yourself the owner of this company You can t even stand and look me in the eye in your own office You have to cower in your chair Shakily I complied No sooner was I standing than she had put her hand to the small of my back pushing me over and pinning me down upon my desk I m going to do something much less permanent than all of that she said There was not so much as a single note of strain in her voice as she held me completely helpless against the smooth oak of my desk Because I m beginning to like you because in a certain way I can admire stubbornness I m going to teach you very simply and here in private just how out of your depth you are I tried to say something but her hand against my back was compressing my chest against the desk too forcefully to draw full breath Instead all that emerged was a whimper
