**Rough Rider in the White House** Sarah Watts, 2003-10-15 In this book Sarah Watts probes this dark side of the Rough Rider presenting a fascinating psychological portrait of a man whose personal obsession with masculinity profoundly influenced the fate of a nation Drawing on his own writings and on media representations of him Watts attributes the wide appeal of Roosevelt's style of manhood to the way it addressed the hopes and anxieties of men of his time Like many of his contemporaries Roosevelt struggled with what it meant to be a man in the modern era He saw two foes within himself a fragile weakling and a primitive beast The weakling he punished and toughened with rigorous manly pursuits such as hunting horseback riding and war The beast he unleashed through brutal criticisms of homosexuals immigrants pacifists and sissies anyone who might tarnish the nation's veneer of strength and vigor With his unabashed paeans to violence and aggressive politics Roosevelt ultimately offered American men a chance to project their longings and fears onto the nation and its policies In this way he harnessed the primitive energy of men's desires to propel the march of American civilization over the bodies of anyone who might stand in its way BOOK JACKET

**Rape Culture in the House of David** Barbara Thiede, 2022-04-24 Rape Culture in the House of David A Company of Men describes a biblical rape culture sustained and maintained by Yhwh and a host of men from royal kings and princes to their relatives counselors generals and servants This volume reveals that sexual violence in the house of David is not simply perpetrated by its most powerful men Rather in the pursuit of power status authority and honor men form alliances and networks that support the use and abuse of women's bodies and valorize sexualized violence against other men The man who is most capable of sexual violence is Israel's ideal king Barbara Thiede deftly addresses the power and contemporary relevance of these narratives and argues that exposing and naming rape culture in biblical literature is essential in social economic and political realms This is a

meaningful feminist intervention in the field of biblical studies and is of great benefit to graduate students and scholars of religion gender studies and masculinity studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
