**An Examination of the Cost-benefit Ratio of Raising Guide Dog Puppies** Whitney Vail, 2006 This survey study examined the ratio of costs versus benefits for raising guide dog puppies as well as whether participating in this volunteer program may be considered an altruistic act One hundred and forty nine male and female Guide Dogs for the Blind Inc puppy raisers ages 12 to 69 completed the survey The survey was constructed with nineteen statements derived from common guide dog puppy raiser testimonials eleven statements had a positive connotation three had a neutral connotation and five had a negative connotation The survey also obtained information on raiser gender number of puppies raised and puppies success in the program Participants completed the survey on the internet Using descriptive statistics comparison data were then analyzed for the following subgroups first time versus repeat raisers children ages 12 17 versus adults 18 and older and raisers without a history of puppies graduating versus those who have had at least one puppy graduate Altruism was considered positive for those who rated the statement I am involved in puppy raising to help others on a higher scale than the statement I am involved in puppy raising to have a dog The results indicated that the benefits outweighed the costs of puppy raising for the vast majority of raisers This finding was consistent across subgroups The results also showed a 79% level of altruism within the total number of participants This study was the first known to quantitatively examine the experiences of guide dog puppy raisers

**Confessions of a Guide Dog** Musket, Mark Carlson, 2011-11-15 Have you ever wondered what a guide dog does How do they know to lead a blind owner Can they understand traffic lights Most importantly how does the owner know where to pick up the poop This memoir answers these questions and more It tells what guide dogs are supposed to do They're smart loyal and well trained but not all dogs are created alike Musket is proof of that He's definitely got a thing for treats and belly rubs For the first time the dog has his say Of course he needed a little help with the typing since he doesn't have opposable thumbs That's where author Mark Carlson came in Still Musket is the brains of the outfit Mark and Musket tell their story with humor emotion and Muskets occasional contradictions And at the end of the day Musket somehow manages to be a great guide dog too Confessions of a Guide Dog was written so a wonderful devoted dog could reach out to those who haven't been lucky enough to meet him Hell make you smile laugh cry and want to give him treats This is their story And they're sticking to it
