

**Daughter's Graduation  
By: Crystal Rosas**

**While looking up at the stars and moon,  
We realize that you grew up too soon.  
We remember the day you were born,  
And now look at you all big and grown.  
We remember your first day of school,  
You were too scared to break a rule.  
You made us proud throughout 6th grade,  
We told you that there was no reason to be afraid.  
In junior high, you gave us a hard time,  
But we stuck by you through dark and shine.  
While in high school, you had your fun,  
From the security guards you would run.  
After a while you settled down,  
You met a guy that showed you not to frown.  
Today you made us proud,  
Class of 2004 shouts the crowd.  
Many doors open for you today,  
We realize that you are going the right way.  
You made us proud throughout the years,  
As we think about it, we burst in tears.  
Truly, no words can explain what we feel.  
Just know that what we just said is real.  
Congratulations**

**Chrome Valley: Poems** Mahogany L. Browne,2023-02-07 Best Books of 2023 TIME Electric Literature From Lincoln

Center's inaugural poet in residence comes this unflinching collection that intricately mines the experience of being a Black woman in America. Boldly lyrical and fiercely honest, Mahogany L. Browne's *Chrome Valley* offers an intricate portrait of Black womanhood in America. We praise their names, the hands that write, Praise the mouth that speaks, she writes in tribute to those who came before her. Browne captures a quintessential girlhood through the pleasures and pangs of young love, the thrill of skating hip to hip at the roller rink, the heat of holding hands in the dark, and sometimes the sting of a palm across the cheek. *Friendship too* comes with its own complex yearnings: you ain't had freedom til you climb on bus 62, head to the closest mall for a good seat at the girl fight. Reflections of Browne's mother, Redbone, bolster the collection with moments of unwavering strength: give me my mother's bone structure, her gap tooth, slaughter, give me her spine. Redbone got a spine for the world. Other moments explore the inherent anxieties shared among Black mothers, rhythmically intoning names like the tolling of a church bell: Because Kadiatou Diallo, Because Sybrina Fulton, Because Valeria Bell, Because Mamie Till. The characters in *Chrome Valley* grapple with the legacies of inherited trauma but also revel in the beauty of the undaunted self, determination passed down from Black woman to Black woman. Transcendent and grounded, funny and furious, *Chrome Valley* brings depth to a movement solidifying Mahogany L. Browne as one of the most significant poetic voices of our time. Lots of Laughs and Lots of Tears Chuck Myers, 2023-02-23 My book is just to tell about people's lives, be they dead or alive. It's to make people laugh or make them cry. That's what my book is about, nothing more, Nothing less. **My Silence Is Golden** Tricia Billington, 2004-09-14 Its so amazing how God guides you to where He wants you to be. This book began by writing in my journal daily to release the stresses of every day life. This is a blessing to share the written words of inspiration with others. Your silence is golden, it consists of spending time with self. Expressing yourself from within is the best therapy, no money can buy. The poems are based on real life and learning how to live with the trials and triumphs of life. The title of this book, *My Silence is Golden*, describes my quiet nature and how I consume life. Learning to enjoy life, being grateful of what each day brings. Remember that as we live day by day, we tend to think everything we accomplished is our doing. God reminds us He is in charge. Yes, we are blessed to be able to turn up and down the volume of life. God intervenes to comfort and guide us. As you read the pages of this book, the poems are from the heart. Each poem signifies how the simple things are the most precious things. I hope this book inspires you to endure what life has in store for you. *Assembly West Point Association of Graduates (Organization)*, 1989 *Derek Mahon: A Retrospective* Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941-2020 is widely recognized as one of the most important Irish poets of his generation. This collection of new critical essays offers an important retrospective assessment of the nature of his poetic achievement. Bringing together many leading scholars of modern and contemporary Irish poetry, including a notable number of accomplished poet-critics, its contributors range widely across Mahon's body of work. Their essays offer fresh considerations of the biographical, geographical, and literary contexts that shaped his poetic voice. This includes paying attention not only to more familiar influences but also to

previously little considered interlocutors The stylistic and formal achievement of his voice is re evaluated in ways that range from attentive close readings to considerations of his controversial practice of self revision and his engagements with music and experiments in translation The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon s career As a whole the collection opens up many new ways of reading and understanding Mahon s important body of work      *The Graduate Magazine of the University of Kansas* ,1911
