

# Our Father Kept A Garden

*He turned us to the sunshine,  
And encouraged us to dream:  
Fostering and nurturing  
The seeds of self-esteem.*

*And when the winds and rain came,  
He protected us enough;  
But not too much because he knew  
We would stand up strong and tough.*

*His constant good example,  
Always taught us right from wrong;  
Markers for our pathway that will last  
a lifetime long.*

*We are our Fathers garden,  
We are his legacy.  
Thank you Dad we love you.*

## **Poems For Dads From Daughters For Funerals:**

**Poems and Readings for Funerals** Julia Watson, 2004-04 Remember me when I am gone away When a loved one is being mourned we often turn to poetry in order to express our deepest thoughts and feelings The right poem whether ancient or modern will help us celebrate a life that has ended and perhaps allow us to find some comfort Yet it s not always easy to find the poem that s right for the occasion especially at such a time of sorrow As an actress Julia Watson has sometimes been asked by friends for suggestions and in this collection she offers over ninety poems and other short readings which could be read at a funeral or memorial service To everything there is a season **Father Melancholy's Daughter** Gail Godwin, 1992 Psykologisk roman om en kvindes udvikling efter at hun er vokset op alene med sin far som var pr st **The Best American Poetry 2011** David Lehman, Kevin Young, 2011-09-20 An anthology of contemporary poets presents works that reflect the diversity in American poetry **A Father-And-Son Book of Poetry and Prose** Harry C. James, George A. James, 2017-09-22 In the early part of 2012 my dad and I published A Father and Son Book of Poetry and Prose Now in the late summer of 2017 I am very delighted to share more of what my dad and I have to offer the world through A Father and Son Book of Poetry and Prose Volume II This is especially for my dad who passed away in June of this year I recall some time ago telling him he should make an effort to get his work published This did not seem to be a great concern of his but he always enjoyed writing drawing humorous cartoons painting on occasion and simply sharing his creative side with family and friends I am incredibly grateful to him and I know I speak for my brothers and my mom too So I have made it my concern to publish everything I found and know that he has written through poetry He is the one that instilled in me an interest in writing and poetry that has lasted for many years now and continues to do so This creative side of his opened a dimension of creativity to me not just in writing but in all facets of the world around us He always had an interesting perspective on things that he was not shy about expressing He was a lifelong Democrat for instance At a high school football banquet one of the other dads who was also a Democrat wanted to share a little political banter with my dad The other dad was basically criticizing everything about the current Republican administration He figured my dad would comfortably agree with everything he was saying No way Although a fellow Democrat my dad challenged him on every point He would do this with regularity He would hear one perspective but was very good at understanding and expressing why the other guy might feel differently Another little story I recall goes back a little further to my grade school days My mom myself and brothers had just gotten in the door from church Dad had stayed behind to do a little painting around the house I began sharing how excited I was that my mom had gotten me a new book He chimed in almost immediately reminding me how thankful I should be because some kids were not able to receive little gifts from their parents on a consistent basis or at all because they did not have the means This stopped me in my thoughts humbled me and made me think more deeply about life even though I was a young little whippersnapper I wish with all my heart I could share this second volume with him and squeeze him with

all my might He is no longer here but a part of him lives on through my mom and brothers I wish you could have met him too but through his poetry I am so glad you can get to know a piece of him as well My earthly father is gone now but as I observe more closely how my heavenly Father allows for the seasons of life to continue and all the legacy and lessons that pertain to this I am truly a blessed and thankful man      *My Words Poetry* Mike Vaught,2015-03-16 A timely piece of fiction written with an urgency for the masses Describing the chemical nature of time space heaven and hell and each individual s inherent responsibility for the smooth operation of the universe A poet s thoughts from mundane to spatial A reminder to us all to question and answer daily Who I Am Always be careful how you knot the string      Through the Door Cuentos de Casa Flora Gamez Grateron,2023-08-04 As we go about our daily lives we create stories weave poems make magical moments at times without realizing it Some moments in time are worth revisiting while others are better left unexplored However those could be the ones that need further scrutiny and may hide deeper more important themes in life Our stories are like peering through an old fashioned kaleidoscope reflecting images of bits of colored glass constantly shifting changing creating new designs and patterns Our memories are kaleidoscopes Our stories are kaleidoscopes Our lives are kaleidoscopes So what s your story Use the prompts after each story or poem to journal your story as you make your way through life Our journey is not yet over      **Twenty-Five Years Later** M. Kay,2013-07-09 The author MKAY wrote this book in the hopes of helping other people who have lost a child This book tells about what it is like and how you may feel after all these years have gone by She hopes this work will be a great help to others She wants people to know that their loved ones are not forgotten and that it is normal to still feel like they do sometimes      **Light Reading: Reflections in Poetry and Prose** Beth Richards,2008-12-21 Beth Richards writes I ve always maintained that writing poetry and other forms of creative writing is a gift from God Here again the creative muse continues to inspire Beth hence this latest book of short stories and poetry entitled *Light Reading* Discerning readers will of course appreciate the pun on the word Light hopefully made clearer by Beth s oil painting of the Baccaro Lighthouse in Nova Scotia on the front cover Beth really enjoys writing free verse and so there are quite a number of these in this latest book of hers It appears to come frequently and naturally to her This way she is able to delve into her subconscious so that the poems and the stories that follow too become reflections of some of her innermost thoughts In the short stories she also has the remarkable gift of being able to project herself into and identify with a character from a completely different walk of life and sphere of experience the mark of a true creative genius      **Number Two Daughter** Susanna Laird Madden,2021-01-15 A military officer and his wife along with their three daughters travel to and live in several states and foreign countries The middle daughter who derived her nickname Shizukosan after living in Japan was also tagged Number Two Daughter as her family lovingly referred to her throughout her life This is not just a tale but many tales or vignettes of the author s life as a Military Brat It then continues on with her memories trials and blessings expressed in a humorous manner The vignettes separate each decade into brief individually titled bites making it convenient
