- **Suicide's Note**

The calm,
Cool face of the river asked me for a kiss.

- **On The Pulse Of Morning**

A Rock, A River, A Tree
Hosts to species long since departed, Mark the mastodon.

- **Fable Of The Mermaid And The Drunks**

All those men were there inside,
when she came in totally naked.

- **The Sun Has Burst The Sky**

The sun has burst the sky
Because I love you

- **The Brook**

I come from haunts of coot and hern,
I make a sudden sally

- **A Miracle For Breakfast**

At six o'clock we were waiting for coffee,
waiting for coffee and the charitable crumb

- **Midsummer, Tobago**

Broad sun-stoned beaches.
White heat. A green river.

- **Ask Me**

Some time when the river is ice ask me mistakes I have
made. Ask me whether what I have done is my life.

Poems From The River:

Poems from the River Kurt Brindley, 2014-12-11 Just as water naturally follows the course set by the sometimes wayward and often divergent banks of the river Kurt Brindley's poems in his debut poetry collection **POEMS FROM THE RIVER** follow the course set by the sometimes wayward and often divergent life he has led From solitary childhood reflections and isolated moments with nature to the anxiety associated with the unrelenting passing of time and the fear of cancer's ultimate consequences to the pleasures and pain of family friends work play love hate life death Kurt's poetry flows as does a river sometimes with ease and quiet calm just as a river flows through an isolated gulf's serene and lazy shallows at other times with spontaneity and unforgiving force just as a river flows through a precipitous canyon's tumultuous and unpredictable rapids and at all times with undiminished resolve and pure blind faith that the end will justify the means just as a river forever flows blindly towards some unknown yet faithfully pursued grander body of water *River* Ted

The River of Life Poetry Collection is a book of thirty poems created over a few years The poems are not based on any real life

situations However reflection observation and imagination would inevitably have played a part in their formation The words have not been forced but gently flowed outlining the beauty and wonder of life recording precious moments but also noting life s fragility and value Readers may find that the language used within some of the poems resonates with their own life experiences therefore bringing memories to the fore Each of the poems tells its own creative story for the reader outlining the natural course of life that can be filled with so much happiness and joy but may also be tinged with immense sadness and pain The reader will have the opportunity to identify with the stories portrayed whether this is from the innocence of youth through to older age or sharing their journey with someone special as an adult A few poems demonstrate the imperfections of people and the devastation caused while others represent kindness and devotion offering a reminder to the reader of the importance of words and the way in which they are used
