

Dedication

Inscribed to a Dear Child:
In Memory of Golden Summer Hours
And Whispers of a Summer Sea

Girt with a boyish garb for boyish task,
Eager she wields her spade: yet loves as well
Rest on a friendly knee, intent to ask
The tale he loves to tell.

Rude spirits of the seething outer strife,
Unmeet to read her pure and simple spright,
Deem if you list, such hours a waste of life,
Empty of all delight!

Chat on, sweet Maid, and rescue from annoy
Hearts that by wiser talk are unbeguiled.
Ah, happy he who owns that tenderest joy,
The heart-love of a child!

Poems Of Dedication:

Poems of Dedication Stephen Spender, 1947 This is Mr Spender's first volume of poems for five years These poems are at once poems dedicated to people and poems of self dedication The first six poems themselves written at intervals during six years constitute an elegy dedicated to the memory of Margaret Spender After this group of poems commemorating a death follows a group of poems on themes of birth love and separation The third group of poems Spiritual explorations dedicated to a fellow poet Cecil Day Lewis is the most sustained attempt by the author to integrate a view of the isolated situation of the individual with an heroic idea of the re creation of modern man's conception of life The last group of landscapes and seascapes reaches beyond the personal preoccupations of the other poems into a wider detachment Publisher's description book jacket Poems of Dedication, by Stephen Spender Stephen Spender, Journeys of the Heart and Dedication Poems Tonia Jaehn, 2013-09-09 JOURNEYS OF THE HEART AND DEDICATION POEMS reflect my journeys through my life both sad and happy times The book is divided into two parts because the second part Dedication Poems is especially dedicated to the special people who have touched my life Most of the poems in both sections were written in college However the newer poems in both sections reflect the importance of my current relationships and how now I have a true sense of peace in my life

Collected Poems Stéphane Mallarmé, 2011-01-15 In this classic tale Richard Kim paints seven vivid scenes from a boyhood and early adolescence in Korea at the height of the Japanese occupation 1932 to 1945 Taking its title from the grim fact that the occupiers forced the Koreans to renounce their own names and adopt Japanese names instead the book follows one Korean family through the Japanese occupation to the surrender of the Japanese empire Lost Names is at once a loving memory of family and a vivid portrayal of life in a time of anguish *The Poems of Oliver Wendell Holmes* Oliver Wendell Holmes, 1862 *So Thankful* Marvin J. Taylor, 2011-08-08 So Thankful is about overcoming adversity I am so very thankful to God for helping me endure and also for allowing me to write this second book I'm still dealing with some adversity but that's okay I'm still here Remember in the book of Ecclesiastes 9:4 it says a living dog is better than a dead lion I'm alive and there is still hope for me and you We all just need to believe I would love to hear from you regarding your thoughts about my book

Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1977 Marietta Chicorel, 1978

The Complete Sonnets and Poems: The Oxford Shakespeare William Shakespeare, 2002-02-14 Shakespeare's Sonnets are among the most complex and beautiful poems ever written Their exploration of love praise homo and hetero sexual desire is enacted in the richest densest writing in English And the first printed work to which Shakespeare's name was attached was the erotic narrative poem Venus and Adonis which developed a sumptuous vocabulary in which to explore love praise of the beloved sexual desire and the power of rhetoric That poem was so popular that most of Shakespeare's contemporaries thought of him as primarily a poet rather than a playwright Yet despite the power of Shakespeare's poems and their foundational place within his oeuvre modern readers have seldom been encouraged to engage with his non dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare's poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare's thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare's poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in *The Passionate Pilgrim* in 1599
