Poems Short Stories And Things Remembered English Edition:

Poems Short Stories and Things Remembered Gloria G. Blakeney, 2011-02-15 This book is a collection of poems short stories and things remembered from the author's years of growing up The poems were started when while watching tv I started writing down stuff about angels The next thing I knew I had three poems written about angels Things just kept going from there The book of Ruth has always been a favorite of mine Before I got through writing the story about Ruth I felt led to write the story on Ester A dear friend who is a retired school teacher read these poems and stories and encouraged me to continue and put all my writings into a book Many of the stories are from family experiences so one could say they really are true stories I hope something in this book will touch and change someones life **Ricordi, Things Remembered** C. the Preface Many books are dry and dusty there is no juice in them and many are soon exhausted you would no more go back to them than to a squeezed orange but some have in them an unfailing sap both from the tree of knowledge and from the tree of life By companionable books I mean those that are worth taking with you on a journey where the weight of luggage counts or keeping beside your bed near the night I books that not only tell you how things look and how people behave but also interpret nature and life to you in language of beauty and power touched with the personality of the author so that they have a real voice audible to your spirit in the silence Here I have written about a few of these books which have borne me good company in one way or another and about their authors who have put the best of themselves into their work Such criticism as the volume contains is therefore mainly in the form of appreciation with reasons for it See other titles by this author available from Kessinger Publishing *The Complete Works of Oscar Wilde* Oscar Wilde, 2023-12-09 Oscar Wilde's The Complete Works of Oscar Wilde compiles the unparalleled genius of one of the most provocative literary figures of the late 19th century This anthology presents Wilde's rich repertoire including plays poetry essays and his solitary novel The Picture of Dorian Gray Wilde's distinctive style characterized by his sharp wit vibrant language and exploration of aestheticism and moral

ambiguity challenges societal norms and invites readers to probe deeper into themes of beauty decadence and the complexities of human nature The collection not only reflects the literary context of the Victorian era but also serves as a critique of its hypocrisy and repression Wilde an icon of both the literary and social circles was known for his flamboyant personality and profound insight into life s contradictions His own experiences with societal judgments and personal trials particularly his imprisonment due to his sexuality deeply informed his writing Hence this anthology can be seen as a testament to his struggle against societal constraints revealing the vulnerabilities beneath his wit and charm I wholeheartedly recommend The Complete Works of Oscar Wilde to those who seek not only to enjoy exquisite literature but to engage with a mind that challenges us to embrace the beauty of life s complexities and contradictions
