Poetic Dialectic Toni Morrison:

Toni Morrison and Literary Tradition Justine Baillie, 2013-08-01 Choice Outstanding Academic Title 2014 Toni Morrison and Literary Tradition explores Toni Morrison's construction of alternative and oppositional narratives of history and places her work as central to the imagining and re-imagining of American and diasporic identities. Covering the Nobel Prize-winning author's novels up to *Home* as well as her essays, dramatic works, and short stories, this book situates Morrison's writings within both African American and American writing traditions and examines them in terms of her continuous dialogue with the politics, philosophy, and literary forms of these traditions. Toni Morrison and Literary Tradition provides a comprehensive analysis of Morrison's entire oeuvre from her early interrogation of Black Power to her engagement with fin de siècle postcolonial critiques of nationalism and twenty-first-century considerations of ecology. Justine Baillie goes on to argue that Morrison's aesthetic should be understood in relation to the historical, political, and cultural contexts in which it and the African American and American literary traditions upon which she draws have been created and developed. Toni Morrison: An Ethical Poetics Yvette Christianse, 2013 Toni Morrison An Ethical Poetics situates Toni Morrison as a writer who writes about writing as much as about racialized, engendered, and sexualized African American and therefore American experience. In foregrounding the ethics of fiction writing, the book resists any triumphalist reading of Morrison's achievement in order to allow the meditative, unsettled, and unsettling questions that arise throughout her long labor at the nexus of language and politics, where her fiction interrogates representation itself. Moving between close reading and critical theory, Toni Morrison An Ethical Poetics reveals the ways in which Morrison's primary engagement with language has been a search for how and what language is made to communicate and for how and what speaks in and from generation to generation. There is no easy escape from such legacy; no escape into a pure language free of the burdens of racialized agendas. Rather, there is the example of Morrison's commitment to writerly, which is to say readerly, wakefulness. At a time when sustained study devoted to single authors has become rare, this book will be an invaluable resource for readers, scholars, and teachers of Morrison's work. **African American Vernacular English as a Literary Dialect** Sophia Huber, 2018-06-13 Knowledge about one's linguistic background, especially when it is different from mainstream varieties, provides a basis for identity and self. Ancestral values can be upheld, celebrated, and rooted further in the consciousness of its speakers. In the case of African American Vernacular English (AAVE), the matter is not straightforward, and ultimately the social implications its speakers still face today are unresolved. Through detailed analysis of the four building blocks—phonology, morphology, syntax, and vocabulary—Sophia Huber tries to trace the development of AAVE as a literary dialect. By unearthing in what ways AAVE in its written form is different from the spoken variety, long-established social stigmata and stereotypes which have been burned into the consciousness of the USA through an initially white-dominated literary tradition will be exposed. Analysing fourteen novels and one short story featuring AAVE, it is the first linguistic study of this scope. T.S. Eliot and the Poetics of Evolution Lois A.

Cuddy,2000 Guided by Eliot's own allusions and references to specific authors and historical moments Cuddy adds a feminist cultural and intertextual perspective to the familiar critical interpretations of Eliot's work in order to reread poems and plays through nineteenth century ideologies and knowledge set against our own time By considering the implications and consequences of Eliot's culturally approved assumptions this study further reveals how Eliot was trapped between the idea of Evolution as a unifying project and the reality of his own and his culture's hierarchical and fragmenting beliefs about class gender religion and race Cuddy concludes by exploring how this conflict undermined Eliot's mission of unity and influenced his and Modernism's place in history BOOK JACKET **The Poetics of National and Racial Identity in**

Nineteenth-Century American Literature John D. Kerkerling,2003-12-11 John D Kerkerling's study examines the literary history of racial and national identity in nineteenth century America Kerkerling argues that writers such as DuBois Lanier Simms and Scott used poetic effects to assert the distinctiveness of certain groups in a diffuse social landscape Kerkerling explores poetry's formal properties its sound effects as they intersect with the issues of race and nation He shows how formal effects ranging from meter and rhythm to alliteration and melody provide these writers with evidence of a collective identity whether national or racial Through this shared reliance on formal literary effects national and racial identities Kerkerling shows are related elements of a single literary history This is the story of how poetic effects helped to define national identities in Anglo America as a step toward helping to define racial identities within the United States This highly original study will command a wide audience of Americanists **Humanities** ,1994 **A Life in Poetry** Bobby Waddell
