Poets On Place W T Pfefferle:

Poets On Place ,2005-02-25 Tells of an extended tour across the U S taken by the author and his wife during which they visited with more than sixty poets asking them about the importance of place in their work This volume presents the text of those interviews often accompanied by a poem from the author and interwoven with segments of Pfefferle s travel narrative and illustrated with black and white photographs **American Poets in the 21st Century** Claudia Rankine,Lisa Sewell,2007-07-09 The ideal introduction to the current generation of American poets Ecopoetic Place-Making Judith Rauscher,2023-08-04 American ecopoetries of migration explore the conflicted relationships of mobile subjects to the nonhuman world and thus offer valuable environmental insight for our current age of mass mobility and global ecological crisis In Ecopoetic Place Making Judith Rauscher analyzes the works of five contemporary American poets of migration drawing from ecocriticism and mobility studies The poets discussed in her study challenge exclusionary notions of place attachment and engage in ecopoetic place making from different perspectives of mobility testifying to the potential of poetry as a means of conceptualizing alternative environmental imaginaries for our contemporary world on the move My Coolest Shirt W. T. Pfefferle,2015 W T Pfefferle portrays love as a road trip in poems both funny and dark Zigzagging along in his Pontiac on Superstition Highway the speaker struggles between past loves and current between My Bad Girlfriend and the call of more perfect love Tenderness frustration and the love of love itself inspire these gritty lyrics Says Frederick Barthelme My Coolest Shirt is a conflation of privacies one minute a sad country song the next a postmodern stab then a lovely embracing memory of romance The poems are utterly modern uncommonly clear affectionate to a fault and profoundly compassionate The book just stuns Adds Nicole Cooley Pfefferle takes us on a wild ride through California Colorado Wyoming Texas Mississippi and beyond Be ready to meet Glen Campbell Barbara Eden Napoleon and Columbus This book surprises and delights us with what can be saved from the journey David St John describes these poems as echoing like the refrains of songs we can almost remember melodies now somehow lost in our past doomed always to stay just out of reach Angela Ball concludes If love like a ballad repeats to you how to go wrong beautifully one more time this book should be yours

The Invention of the Kaleidoscope Paisley Rekdal, 2007-02-25 The Invention of the Kaleidoscope is a book of poetic elegies that discuss failures failures of love both sexual and spiritual failures of the body failures of science art and technology failures of nature imagination memory and most importantly the failures inherent to elegiac narratives and our formal attempt to memorialize the lost But the book also explores the necessity of such narratives as well as the creative possibilities implicit within the failed elegy all while examining the various ways that self destruction can turn into self preservation *Poets & Writers*, 2005 **2004 Poet's**
