Scepticism and Hope in Twentieth Century Fantasy Literature Kath Filmer-Davies,1992 Religious discourse has become alien to the secular and skeptical western societies of the twentieth century There is real discomfort when religious discourse appears either in the popular press or in society But even in a secular society there is still a psychological need one might even use the stronger word will if not to believe then at

least to hope Dr Filmer states this need is met in the literature of fantasy *The Mummy in Fact, Fiction and Film* Susan D. Cowie, Tom Johnson, 2007-08-09 In 1922 when Howard Carter and Lord Carnarvon discovered the tomb of Tutankhamen much of what was then known about mummies came from the writing of Greek historian Herodotus and from the paintings on the walls of Egyptian tombs Even before 1922 the mummy had been the subject of fiction with such writers as Bram Stoker and Sir Arthur Conan Doyle tackling the subject and early films dating back to 1901 In this work the authors present the religious social and scientific aspects of mummies as well as an in depth discussion of facts about them largely Egyptian but including other kinds of mummies Then how mummies are portrayed in fiction and in the movies is discussed Stories and films in which the mummy is a focal character are listed **The Rough Guide to Opera** Matthew Boyden, Nick Kimberley, 2002 Sketches of opera composers opera synopses and CD reviews **James Ellroy** Jim Mancall, 2014-01-14 This comprehensive guide to James Ellroy s work and life is arranged as an encyclopedia covering his entire career from his first private eye novel Brown s Requiem to his 2012 e book Shakedown It introduces new readers to his characters and plots and provides experienced Ellroy fans and scholars with detailed analyses of the themes motifs and stylistic innovations of his books The work is a tour of Ellroy s dark underworld highlighting the controversies and unsettling questions that characterize his work as well as assessing Ellroy s place in the annals of American literature **Seeking the Queen Finding Starwalker** Kerstin Peters, Henry Svensson, Calle Nyman, Betina Brandes, 2025-03-03 Kerstin Peters is as down to earth as you can get outside of her work as a writer she has spent her spare time investigating the invisible in our lives What brought her and the others on through the documentary was one of her true dreams which all warn her of what is to come A true analyst Henry Svensson spends most of his time in academia He is used to plowing through the pages of books which was an excellent starting point when mysteries needed to be solved for this book Calle Nyman is used to being on stage and bringing the audience along with his comedy so it was natural for him to be the one to make the first contact with people who would be part of what changed the trio forever The trio of writers like many others had been promised gold and green forests in the movement they had met and followed They got tired of waiting and said goodbye to what they had been part of But then Kerstin dreamt one of her true dreams this time with content that again piqued their interest The dream provided new clues that could have filled a whole book of sect revelations but more and more they realized that this is much bigger than that We follow the trio through discovery after discovery reading about when they meet famous characters from Channie West s diaries and when they meet people who have genuine extraterrestrial contacts We also get to sit in on classes where they get to experience what it s like to meet beings from another world And most memorably the long awaited trip into space which involved everything but packing for a simple picnic It took the trio several years to get from start to finish and when they felt ready they brought in someone to help check the facts they had gathered It was Betina Brandes who undertook to find and interview people who could verify or reject what the colorful characters had given them She has a good insight into

much of the book's content herself which made her a good outside critic and she was also responsible for translating the documentary. Reading this 600 page book is like watching a well researched exciting documentary. It is so easy to follow even though it is incredibly fact packed because it is lightened by the humor and you are driven by the mysteries. **Saved by the Bellini** John deBary, 2023-04-25 Whether you were born in the 90s or are longing for them this themed cocktail book by acclaimed bartender John deBary is the perfect 90s nostalgia gift for yourself or anyone else. The Resonance of Joseph Conrad in Contemporary Culture Agnieszka

Adamowicz-Pośpiech, 2025-09-01 A hundred years after his death the life and legacy of the Polish British novelist Joseph Conrad remains deeply felt in a wide range of global cultural contexts. The Resonance of Joseph Conrad in Contemporary Culture brings together scholars of wide ranging backgrounds to provide a holistic assessment of the afterlife of Conrad's work. Ranging from Conrad's influence upon contemporary writers to the impact of his translators and his adaptation within film and graphic novels this volume illuminates how Conrad's approach to questions of moral ambiguity and the haunting complexities of colonialism continues to inform the cultural output of our modern globalized world. *A Short History of Fantasy* Farah Mendlesohn, Edward James, 2012-06-27 Some of the earliest books ever written including The Epic of

Gilgamesh and the Odyssey deal with monsters, marvels, extraordinary voyages and magic and this genre known as fantasy remained an essential part of European literature through the rise of the modern realist novel. Tracing the history of fantasy from the earliest years through to the origins of modern fantasy in the 20th century this account discusses contributions decade by decade from Tolkien's Lord of the Rings trilogy and Lewis's Narnia books in the 1950s to J K Rowling's Harry Potter series. It also discusses and explains fantasy's continuing and growing popularity. **Khufu** Max Overton, Khufu son of Sneferu inherits a stable throne and a nation poised for greatness.
