Planning Research in Hospitality and Tourism Levent Altinay, Alexandros Paraskevas, 2015-10-23 Planning Research in Hospitality and Tourism provides an accessible concise and practical guide to planning conducting and analysing research in tourism and hospitality The authors skilfully introduce the basic principles and techniques of research in the international hospitality and tourism sectors and provide detailed guidance on both quantitative and qualitative methods of research It includes a variety of features throughout to aid students

understanding and offers practical tips to help students overcome any potential research issues Building on the success of the first edition the volume has been fully revised and updated and contains new chapters on mixed methods and how to make best use of recent technology in research practices The second edition also benefits from increased coverage of research design strategies including sampling ethnography and experimental design inclusion of computer mediated data collection techniques such as online interviews online focus groups and online observation netnographic research new and updated international case studies and extracts with a more even spread of tourism and hospitality examples of research online student and lecturer resources including PowerPoint slides and a test bank of multiple choice and true false questions for each chapter Written by three leading scholars with experience of both the industry and university courses globally this insightful text is an essential resource for all tourism and hospitality research students and early career research professionals around the world From Idea to Essay Jo Ray McCuen,Anthony C. Winkler,1995 **The ESL Writer's**

Handbook, 2nd Ed. Janine Carlock,Maeve Eberhardt,Jaime Horst,Lionel Menasche,2017-12-20 The ESL Writer s Handbook is a reference work for ESL students who are taking college level courses Because its purpose is to provide help with the broad variety of writing questions students may have when working on school assignments the text focuses on English for Academic Purposes Unlike other handbooks on the market this book s sole purpose is to address the issues of second language learners The spiral bound Handbook complements a student writer s dictionary thesaurus and grammar reference book It would be suitable as a text for an advanced ESL writing course when used together with the companion Workbook 978 0 472 03726 1 The new edition features significant revisions to Sections 3 and 4 in particular both APA and MLA style guides have been updated and new sample papers for each are included The new edition includes new and revised exercises and many new samples of student writing Like its predecessor the 2nd Edition has these special features The topic selection is based on ESL writers needs as observed by the authors over many years The coverage of topics is more complete than the limited amount usually provided for ESL writers in first language or L1 handbooks The explanatory language is appropriate for ESL students in contrast to the more complex and idiomatic language of other English handbooks Many of the examples of paragraphs essays research papers and exercise sentences were written by ESL students to help users realize that they too can become effective writers *Digital Libraries: Implementing Strategies and Sharing Experiences* Edward A.
