

***Instructions For Completing "Summary of Residential Services & Per Diem Rate" Form:***

Care Managers are to conduct assessment and NFLOCD activities as normal.

If consumer is deemed LOCD eligible, Care Managers are to begin the care planning process by discussion with the consumer the types of care they believe they need, both in terms of specific service categories (general assistance with ADL's etc), and how they want those services provided.

If the consumer is a current resident of an AFC or HFA, Care Managers are to determine the current level of service intervention and the types of assistance provided by reviewing case records at the home and/or through discussions with staff and the consumer.

The purchase agreement will indicate what level of service intervention is deemed "usual and customary" through the facility's licensure requirements and the hourly rate for those services.

Once the total amount of care provided and/or needed is determined, Care Managers are to subtract the hours of "usual and customary" care from the total amount of care needed. This is the level of service intervention the Waiver Program will be responsible for purchasing.

***Example:***

AFC Home provides an average of 4.5 hours of care/assistance per day per resident  
DSP Agreement indicates that the hourly rate for care is \$16.50.

Client Smith needs 6 hours of care/assistance daily for a variance of 1.5 hours

Care Manager is to complete "Summary of Resident Services and Per Diem Rate" form based on the pre-negotiated rate of \$16.50 times 1.5 hours for a daily rate of \$24.75.

The average number of days in each month is 30.4. Multiply \$24.75 times 30.4 for a monthly Per Diem of \$752.40

Each resident will have a separate "Summary of Resident Services and Per Diem Rate" work sheet completed based on their care needs over and above what the home provides through its licensure as "Usual and Customary Care."

The work sheet is to be signed by the Care Manager(s) and an authorized representative of the home. Copies of the summary sheet are to be maintained by the home and the Care Manager, with an additional copy provided to the consumer/resident.

Upon completion of the Summary Work Sheet, Care Managers are to complete the necessary work order indicating the monthly per diem amount for the service category "Residential Services" and submit this to data entry.

The level of "Usual and Customary" service provision and negotiated hourly rate will be maintained by UPCAP's Administrative Manager (currently Terry Thomma). Copies of these rates will be provided to Care Managers as agreements are entered into.
