So Far From Home Russians In Early California

Kent G. Lightfoot, Sara L. Gonzalez

So Far From Home Russians In Early California:

California Through Russian Eyes, 1806-1848 James R. Gibson, 2013-10-23 In the early nineteenth century Russia established a colony in California that lasted until the Russian American Company sold Fort Ross and Bodega Bay to John Sutter in 1841 This annotated collection of Russian accounts of Alta California many of them translated here into English from Russian for the first time presents richly detailed impressions by visiting Russian mariners scientists and Russian American Company officials regarding the environment people economy and politics of the province Gathered from Russian archival collections and obscure journals these testimonies represent a major contribution to the little known history of Russian America Well educated and curious the visiting Russians were acute observers generous in their appreciation of Hispanic hospitality but outspoken in their criticisms of all they found backward or abhorrent In the various reports and reminiscences contained within this volume they make astute observations of both Hispanic and Native inhabitants describing the Catholic missions with their devout friars and neophyte workers the corruptible Franciscan missionaries the sorry plight of mission Indians the Californios themselves whose religion language dwellings cuisine dress and pastimes were novel to the Russians the economic and social changes in Alta California following Mexican independence and the schemes of American traders and settlers to draw the province into the United States Amplified by James R Gibson s informative annotations and featuring a gallery of elegant color illustrations this unique volume casts new light on the history of Spanish and Mexican California

Pacific Eldorado Thomas J. Osborne, 2019-12-05 The fully revised second edition of the bestselling textbook an original interpretation of the entire span of California history The rich history of California can best be told through its connection with the Pacific Basin From the geological origins of the land and its earliest seafaring inhabitants to current economic trade relationships and remarkably diverse cultural influences the factors that continue to shape the Golden State are inseparably linked to the vast ocean to its west Pacific Eldorado is a comprehensive exploration of the entire sweep of California s past in relation to the maritime world of the Pacific Basin Offering a bold and original interpretation of the history of the region prominent historian Thomas J Osborne enables readers to view the state s development through a Pacific focused lens Now in its second edition this acclaimed textbook reflects new scholarship places greater emphasis on environmental topics and examines recent California history Designed to help students think critically about commonly held ideas the author challenges conventional views such as those of pre Gold Rush California confronts the traditional Atlantic centric approach to American history and presents a new analytic framework for studying the state s past The text enables students to understand the evolution of California from the time of prehistoric Asian seafarers to the state s present day position as the nation s wealthiest and most populous state Rigorous yet accessible this text Explores a Greater California history that extends beyond geographic borders Offers new expanded and revised coverage of plate tectonics the citriculture boom of the late 1800s the environmental history of California and more Features Pacific Profiles brief chronicles of notable

figures who have made an impact on the state's history. Has a new feature Transpacific Connections that illustrates further the fascinating ties between California and the Pacific World for example comparing the California gold rush to the contemporaneous New Zealand gold rush and indicating the connections between the two. Supports a Pacific-centric approach with compelling examples such as the building of the transcontinental railroad to increase the China trade. Includes new and updated photographs, illustrations, maps, references, and reading suggestions. Already adopted by a wide range of institutions, the new edition of *Pacific Eldorado: A History of Greater California* continues to be an essential resource for students and instructors in California history courses as well as those required to pass exams on California history and government to obtain California teaching credentials.

So Far from Home Glenn J. Farris, 2019-08-14 *Sea Otters* Richard Ravalli, 2021-06 An examination of sea otters in a Pacific World context and an exploration of how this iconic sea mammal once defined the world's largest oceanscape.

Seward's Folly Lee A. Farrow, 2016-12-15 The Alaska Purchase denounced at the time as Seward's Folly but now seen as a masterstroke is well known in American history. But few know the rest of the story. This book aims to correct that. Lee Farrow offers here a detailed account of just what the Alaska Purchase was, how it came about, its impact at the time, and more. Farrow shows why both America and Russia had plenty of good reasons to want the sale to occur, including Russia's desire to let go of an unprofitable, hard-to-manage colony and the belief in the United States that securing Alaska could help the nation gain control of British Columbia and generate closer trade ties with Asia. Farrow also delves into the implications of the deal for foreign policy and international diplomacy far beyond Russia and the United States at a moment when the global balance of power was in question. A thorough, readable retelling of a story we only think we know, *Seward's Folly* will become the standard book on the Alaska Purchase.

Inclusion, Transformation, and Humility in North American Archaeology Seth Mallios, Sara L. Gonzalez, Michael Grone, Kathleen L. Hull, 2024-01-06 In a dynamic, near half-century career of insight, engagement, and instruction, Kent G. Lightfoot transformed North American archaeology through his innovative ideas, robust collaborations, thoughtful field projects, and mentoring of numerous students. Authors emphasize the multifarious ways Lightfoot impacted and continues to impact approaches to archaeological inquiry, anthropological engagement, Indigenous issues, and professionalism. Four primary themes include negotiations of intercultural entanglements in pluralistic settings, transformations of temporal and spatial archaeological dimensions, as well as theoretical and methodological innovations, engagement with contemporary people and issues, and leading by example with honor, humor, and humility. These reflect the remarkable depth, breadth, and growth in Lightfoot's career despite his unwavering stylistic devotion to Hawaiian shirts.

Metini Village Kent G. Lightfoot, Sara L. Gonzalez, 2018 Synthesizing over two decades of collaborative archaeological research carried out by UC Berkeley, the Kashia Band of Pomo Indians, and California State Parks at Fort Ross, California, this volume makes the case for an archaeology of colonialism that bridges studies of early colonial encounters with analysis of settler-colonial relations.

Fishing on the

Russian River Meghan Walla-Murphy, 2014-09-08 The Russian River tells a rich story of Sonoma County both historically and ecologically For as long as can be remembered there has been an intimate relationship between the people of the Russian River and the fish specifically the salmon and the steelhead This tale of fishing begins with the Pomo peoples communal fishing forays winds through Russian exploration and early American settlement and lands in the present time For millennia fishing has been a cultural cornerstone on the Russian River Unfortunately this once lively and productive salmonid fishery is dying Overfishing gravel mining increased sedimentation from logging and agriculture dams and overdevelopment along the riverbanks and tributaries have all caused a decline in salmonid numbers Thankfully through collaborative efforts of local residents nonprofit organizations ranchers farmers and government agencies fish populations are rebounding New Perspectives on Russian-American Relations William Benton Whisenhunt, Norman E. Saul, 2015-08-14 New Perspectives on Russian American Relations includes eighteen articles on Russian American relations from an international roster of leading historians Covering topics such as trade diplomacy art war public opinion race culture and more the essays show how the two nations related to one another across time from their first interactions as nations in the eighteenth century to now Instead of being dominated by the narrative of the Cold War New Perspectives on Russian American Relations models the exciting new scholarship that covers more than the political and diplomatic worlds of the later twentieth century and provides scholars with a wide array of the newest research in the field *Routledge Handbook of the Archaeology of Indigenous-Colonial Interaction in the Americas* Lee M. Panich, Sara L. Gonzalez, 2021-07-19 The Routledge Handbook of the Archaeology of Indigenous Colonial Interaction in the Americas brings together scholars from across the hemisphere to examine how archaeology can highlight the myriad ways that Indigenous people have negotiated colonial systems from the fifteenth century through to today The contributions offer a comprehensive look at where the archaeology of colonialism has been and where it is heading Geographically diverse case studies highlight longstanding theoretical and methodological issues as well as emerging topics in the field The organization of chapters by key issues and topics rather than by geography fosters exploration of the commonalities and contrasts between historical contingencies and scholarly interpretations Throughout the volume Indigenous and non Indigenous contributors grapple with the continued colonial nature of archaeology and highlight Native perspectives on the potential of using archaeology to remember and tell colonial histories This volume is the ideal starting point for students interested in how archaeology can illuminate Indigenous agency in colonial settings Professionals including academic and cultural resource management archaeologists will find it a convenient reference for a range of topics related to the archaeology of colonialism in the Americas The Rough Guide to Alaska Paul Whitfield, 2004 The Rough Guide to Alaska is the indispensable guidebook to one of the world's greatest adventure destinations The Rough Guide will ensure the reader gets the most from their time in this extraordinary region The opening pages feature a full colour introduction to Alaska's highlights with inspirational photography of the stunning sights and

activities on offer from viewing the ethereal glow of the Northern Lights to cruising the epic highways There are evocative accounts of the state s vast wilderness from the majestic peak of Denali to the glaciers of Prince William Sound and lively reports on Anchorage Fairbanks and all Alaska s rough hewn towns There is also expert advice on the multitude of outdoor activities such as hiking mountain biking rafting fishing and kayaking plus lesser known activities such as panning for gold or riding a husky sled *The Pall Mall Budget* ,1877 *Soviet Life* ,1991 Secret History of the Court and Government of

Russia Under Alexander the First and the Emperor Nicholas Jean-Henri Schnitzler,1854 **Imperial Russia and the Struggle for Latin American Independence, 1808-1828** Russell H. Bartley,2014-10-03 This study the first of its kind in English examines Russian responses to the independence movement in Latin America during the early nineteenth century From a strictly presentist perspective the investigation of this subject contributes to the historiography of colonialism and of Latin America s relations with the major world powers In addition it rounds out the story of foreign interests in the emancipation of Spanish and Portuguese America while at the same time shedding new light on the history of Russian overseas expansion The study probes the major determinants of Russian responses to the struggle for independence of colonial Latin America and evaluates from a European perspective the actual impact of tsarist policy on the course of those historic events Drawing on a wide range of printed materials and on hitherto unused manuscript sources from the archives and libraries of Spain Portugal Brazil and the USSR it isolates Russian New World objectives during the first decades of the nineteenth century and relates those objectives to the formulation of tsarist policy toward the insurgent Iberian colonies

Homelands Richard L. Nostrand, Lawrence E. Estaville,2003-05-01 What does it mean to be from somewhere If most people in the United States are from some place else what is an American homeland In answering these questions the contributors to *Homelands A Geography of Culture and Place* across America offer a geographical vision of territory and the formation of discrete communities in the U S today *Homelands* discusses groups such as the Yankees in New England Old Order Amish in Ohio African Americans in the plantation South Navajos in the Southwest Russians in California and several other peoples and places *Homelands* explores the connection of people and place by showing how aspects of several different North American groups found their niche and created a homeland A collection of fifteen essays *Homelands* is an innovative look at geographical concepts in community settings It is also an exploration of the academic work taking place about homelands and their people of how factors such as culture settlement and cartographic concepts come together in American sociology There is much not only to study but also to celebrate about American homelands As the editors state Underlying today s pluralistic society are homelands large and small strong and weak that endure in some way The mosaic of homelands to which people bonded in greater or lesser degrees affirms in a holistic way America s diversity its pluralistic society The authors depict the cultural effects of immigrant settlement The conviction that people need to participate in the life of the homeland to achieve their own self realization within the traditions and comforts of that community *Homelands* gives us a

new map of the United States a map drawn with people s lives and the land that is their home **Congressional Record**
United States. Congress,1946 *Transactions of the Commonwealth Club of California* Commonwealth Club of
California,1955 Russia in Pacific Waters, 1715-1825 Glynn Barratt,2011-11-01 This is the first study in Russian or
Western literature of the rise and fall of Russian naval influence in the North Pacific Ocean from the time of Peter the Great
to Tsar Nicholas I The author deals with a neglected area inherent tension between Russian naval and mercantile interests
and the origins of international rivalry in the North Pacific at large Barratt shows that Russia s motives for early expeditions
to the Pacific were to promote science exploration and trade But when imperialist powers vied for territory and resources in
the area military confrontation became a possibility Rivalries within Russia and government caution curbed the build up of
any effective counterforce and dealt the final blow to Russia s naval ambitions Her hopes for hegemony in the North Pacific
and in Russian North America collapsed in 1825 marking the end of an enterprising era for the Russian navy in Pacific waters
The navy learned from these early experiences that it was incapable of a great power role in the Pacific without an
independent self sufficient Pacific based fleet This book is a major original contribution to its subject An impressive list of
sources includes accounts in Russian and valuable materials from Russian archives **House Documents, Otherwise**
Publ. as Executive Documents United States. Congress. House,1869
