Social Work Manual

Robert Adams

Social Work Manual:

The Social Worker's Practice Manual Neil Thompson, 2023-08-21 An essential handbook for students and experienced social workers alike this practical guide filters out the jargon and sets out what you really need to know 30 easy to follow chapters delve into topics ranging from holistic thinking to effective record keeping all rooted in Neil Thompson's extensive hands on experience Complicated subjects such as cultural sensitivity and managing conflict are discussed thoughtfully and pragmatically helping you understand the roots of tricky situations and find effective solutions Each section successfully combines theory and practice to give a holistic view of social work that can be tailored to help each unique client Over 45 years of experience distilled into one manual for success

Skill Training for Social Workers Sudha Datar, Ruma Bawikar, Geeta Rao, Nagmani Rao, Ujwala Masdekar, 2010-03-09 Integrating social development with social work education this book meets a crucial need for social work educators scholars and students Unlike theory works which list out the skills required for the practice of social work methods but do not enable development of these skills this manual discusses concrete exercises for the development of method linked skills The book carries a continuous thread of discourse on how to develop interactive work ability in individuals to ensure holistic professional development It facilitates the inculcation of professional and global competencies essential for a social worker in a student

The Short Guide to Social Work Robert Adams, 2010-04-28 This engaging and accessible text offers a concise overview of social work which will appeal to anyone needing a quick introduction to social work as a discipline It contains essential information for all prospective and new social work students the theories and policy and practice frameworks as well as current issues facing social work today Illustrated with many examples from practice it covers social work with many service user groups including children and families adults older people disabled people and people with mental health problems as well as specialist areas of practice

Social Work Skills Pamela Trevithick, 2000 This text provides a detailed description of over 50 social work skills with case examples of their creative use in evidence based practice The book takes as its starting point the view that social work is a skilled activity but one that is uniquely located in no win situations caught in a tension between conflicting and sometimes incompatible needs and expectations

Social Work Skills and Knowledge: a Practice Handbook Pamela Trevithick, 2011-11-16 What a sensible book a book born of much wisdom and practical experience Pamela Trevithick takes the reader on a wonderfully clear but thorough journey of social work's knowledge skills and values in which theories are elegantly put into practice The whole enterprise is reassuringly held together by a strong commitment to organised thinking and the value of the social work relationship For those who want to sharpen their ideas while keeping their practical feet firmly on the ground this is the book for you Professor David Howe University of East Anglia UK This new edition is an excellent resource for practitioners students and indeed managers in social work and social care who are committed to effective practice and service delivery Trevithick provides a comprehensive knowledge and skills framework and excellent practice examples to

enable the reader to apply the knowledge to undertaking skilled and effective practice This is a clear readily understandable and comprehensive text which also integrates the complexity of practising social work I highly recommend it Professor Joyce Lishman recently retired as Head of School of Applied Social Studies Robert Gordon University UK A fantastic guide to social work practice and one I would recommend for the bookshelf of any social work student It has a user friendly style that presents issues in an accessible way Kate Grant Social Work Student University of Bristol UK A brilliant MUST BUY book for all social workers It covers an amazing range of issues which are easy to find using the index I will use it constantly throughout my career Amanda Moorcroft Social Work Practitioner UK Since its first publication in 2000 this best selling text has been an invaluable resource for thousands of social workers preparing for life in practice Written by an influential academic practitioner it is widely regarded as the leading book in its field The third edition has been thoroughly updated to include sections on theoretical factual and practice knowledge Key features include 4 new chapters that integrate theory and practice in a Knowledge and Skills Framework or map of professional practice 80 social work skills and interventions 12 appendices describing a range of different social work approaches A wide range of practice examples linking theory and practice Social Work Skills is essential reading for all social work students and a valuable reference tool for practising social workers social services managers and human service professionals

Manual on Supervision in Social Work Makerere University College. Dept. of Social Work and Social Administration, 1969

An Author's Guide to Social Work Journals Henry N. Mendelsohn, 1987

Manual for Social Workers Educational program for social services, 1936

Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2012 Global knowledge is increasingly essential for all aspects of social work Today's professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

Technical Manual United States. Federal Civil Defense Administration, 1953
