Nester, 2013 As William Nester asserts in *The Age of Jackson* it takes quite a leader to personify an age A political titan for thirty three years 1815 1848 Andrew Jackson possessed character beliefs and acts that dominated American politics Although Jackson returned to his Tennessee plantation in March 1837 after serving eight years as president he continued to overshadow American politics Two of his proteges Martin the Magician van Buren and James Young Hickory Polk followed him to the White House and pursued his agenda Jackson provoked firestorms of political passions throughout his era Far more people loved than hated him but the fervor was just as pitched either way Although the passions have subsided the debate lingers Historians are split over Jackson's legacy Some extol him as among America's greatest presidents citing his championing of the common man holding the country together during the nullification crisis and eliminating the national debt Others excoriate him as a mean spirited despot who shredded the Constitution and damaged the nation's development by destroying the Second Bank of the United States defying the Supreme Court and grossly worsening political corruption through his spoils system Still others condemn his forcibly expelling more than forty thousand Native Americans from their homes and along the Trail of Tears which led far west of the Mississippi River with thousands perishing along the way In his clear eyed assessment of one of the most divisive leaders in American history Nester provides new insight into the age old debate about the very nature of power itself *The Power of Public Art*, 2025-08-12 CODAreview 2025 *The Power of Public Art* is a definitive exploration of how creativity transforms our cities economies and communities Published by CODAworx this richly illustrated annual showcases groundbreaking installations from around the world works that spark connection drive economic growth and reimagine public spaces Featuring in depth industry data trend analysis and inspiring case studies it highlights public art's role in placemaking cultural tourism and urban revitalization From monumental sculptures to immersive digital experiences CODAreview 2025 offers a behind the scenes look at the artists commissioners and collaborators shaping today's most dynamic environments Both a visual feast and an authoritative resource it proves that public art isn't just decoration it's a catalyst for change

His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous just and influential nation
