Threat Palestinian Political Prisoners In Israel:

Threat Abeer Baker, Anat Matar, 2011-05-06 Palestinian prisoners charged with security related offences are immediately taken as a threat to Israel's security. They are seen as potential if not actual suicide bombers. This stereotype ignores the political nature of the Palestinian prisoners' actions and their desire for liberty. By highlighting the various images of Palestinian prisoners in the Israel-Palestine conflict, Abeer Baker and Anat Matar chart their changing fortunes. Essays written by prisoners, ex-prisoners, human rights defenders, lawyers, and academic researchers analyse the political nature of imprisonment and Israeli attitudes towards Palestinian prisoners. These contributions deal with the prisoners' status within Palestinian society, the conditions of their imprisonment, and various legal procedures used by the Israeli military courts in order to criminalise and depoliticise them. Also addressed are Israel's breaches of international treaties in its treatment of the Palestinian prisoners, practices of torture and solitary confinement, exchange deals, and prospects for release. This is a unique intervention within Middle East studies that will inspire those working in human rights, international law, and the peace process.

Palestinian Political Organizations in Israeli Prisons Alyssa G. Bernstein, 2024-06-16 Palestinian Political Organizations in Israeli Prisons examines the evolution and changes within the Palestinian Prisoners' Movement and the structural opportunities and constraints that inform collective resistance today. Drawing on observation-based fieldwork and over 40 interviews with ex-prisoners and additional interviews with lawyers and advocates, this book presents a sociological account of Palestinian prisoners in Israel, an important reflection of the wider Israeli-Palestinian conflict. The Oslo Accords, the peace agreements between the Palestinian Liberation Organization and Israel, transformed not only Palestinian politics but the entire prison environment. By exploring issues including the specific characteristics of women's resistance, the effects of the Islamicization, new hunger strike strategies, consumerism within the prison, parenting children, and escapes, Palestinian Political Organizations in Israeli Prisons offers a fresh analysis of political resistance in Israeli prisons. Applying a social movement approach and drawing comparisons to other politically motivated prisoner groups, the book traces the effects of changes from the Oslo Accords through to today, including the Second Intifada, the split between Hamas and Fatah, the co-optation of the Palestinian Authority, and increasingly systematic prison management, explaining how these factors have affected life for Palestinian prisoners in Israeli prisons and influence conflicts today.

Threat Abeer Baker, Anat Matar, 2011-06-15 Palestinian prisoners charged with security related offences are immediately taken as a threat to Israel's security. They are seen as potential if not actual suicide bombers. This stereotype ignores the political nature of the Palestinian prisoners' actions and their desire for liberty. By highlighting the various images of Palestinian prisoners in the Israel-Palestine conflict, Abeer Baker and Anat Matar chart their changing fortunes. Essays written by prisoners, ex-prisoners, human rights defenders, lawyers, and academic researchers analyze the political nature of imprisonment and Israeli attitudes towards Palestinian prisoners. These contributions deal with the prisoners' status within Palestinian society, the conditions of

their imprisonment and various legal procedures used by the Israeli military courts in order to criminalize and de politicize them Also addressed are Israel s breaches of international treaties in its treatment of the Palestinian prisoners practices of torture and solitary confinement exchange deals and prospects for release This is a unique intervention within Middle East studies that will inspire those working in human rights international law and the peace process **A History of**

Confinement in Palestine: The Prison Web Stéphanie Latte Abdallah,2022-08-29 This book deals with the contemporary history of the imprisonment of Palestinians in Israeli prisons since 1967 and since the 2000s in Palestinian facilities The prison experience is widely shared in the Occupied Palestinian Territories It endurably marks personal and collective stories Since the Occupation of the Palestinian Territories in 1967 mass incarceration has spun a prison web a kind of suspended detention Approximately 40 percent of the male population has been to prison It shows how the judicial and prison practices applied to Palestinian residents of the OPT are major fractal devices of control contributing to the management of Israeli borders and shape a specific bordering system based on a mobility regime such borders are mobile networked and endless This history of confinement is that of the prison web and of the in between political social and personal spaces people weave between Inside and Outside prison Based on in depth ethnographic fieldwork oral and written sources archives and extensive institutional documentation this political anthropology book deals with carceral citizenships and subjectivities Over time imprisonment has had profound effects on personal experiences on masculinities femininities gender relations parentality and intimacy Woven like a web this story is built around places moments people and their testimonies *Prisons, Terrorism and Extremism* Andrew Silke,2014-02-18 This volume provides an overview of intervention and management strategies for dealing with terrorist and extremist offenders in prisons The management of terrorist and extremist prisoners has long been recognised as a difficult problem in prisons In most countries such offenders are relatively rare but when their numbers increase these prisoners can undermine the effectiveness and safety of the prison system At a global level there is an increasing recognition of the problem of militant jihadi extremists in prison and their ability to recruit new members among other prisoners The numbers of such prisoners are low but growing and as a result prisons are becoming centres of radicalisation indeed in some cases terrorist plots appear to have been based entirely on networks that were radicalised in prison This volume presents an expertly informed assessment of what we know about terrorists extremists and prison exploring the experience of a wide range of countries and of different political movements Drawing critical lessons from historical case studies the book examines critical issues around management strategies radicalisation and deradicalisation reform risk assessment as well as post release experiences The role that prisoners play in the conflicts beyond the jail walls is also examined with case studies illustrating how prisoners can play a critical role in bringing about a peace process or alternatively in sustaining or even escalating campaigns of violence Written by leading experts in the field this volume will be of much interest to students of terrorism counter terrorism criminology security studies and IR in general *Bioethics and*

Biopolitics in Israel Hagai Boas, Yael Hashiloni-Dolev, Shai J. Lavi, Dani Filc, Nadav Davidovitch, 2018-01-11 A collection of studies in bioethics and society that goes beyond conventional medical ethics and suggests political socio legal and empirical analysis

The Palestinian Prisoners Movement Julie M. Norman, 2021-06-30 Providing a contemporary history of the Palestinian prisoners movement this book illustrates the centrality of the movement in the broader Palestinian national struggle Based on direct interviews with former prisoners and former security sector personnel it offers new insights into the strategies that prisoners employed to gain rights over time as well as the tactics used by prison authorities to maintain control Prisons have functioned as microcosms of the broader Israeli Palestinian conflict for decades with the Israeli state aiming to use mass incarceration for security and Palestinian prisoners seeking to take back the prison space for organizing and resistance Prisoners actions included but were not limited to hunger strikes as prisoners often relied more on everyday acts of noncompliance and developing an internal counterorder to challenge authorities The volume demonstrates how the Palestinian prisoners movement was intertwined with the Palestinian national movement strongest in the popular mobilization era of the 1970s and 1980s and significantly weaker and more fragmented after the Oslo Accords of the 1990s and the second intifada Presenting a fresh analysis of a central but often overlooked aspect of the Israeli Palestinian conflict the volume offers valuable reflections on prison based resistance in protracted conflicts more broadly It is a key resource to students and scholars interested in contemporary conversations on mass incarceration criminal justice Middle East politics and history

Captive Revolution Nahla Abdo, 2014-08-20 Women throughout the world have always played their part in struggles against colonialism imperialism and other forms of oppression However there are few books on Arab political prisoners fewer still on the Palestinians who have been detained in their thousands for their political activism and resistance Nahla Abdo's *Captive Revolution* seeks to break the silence on Palestinian women political detainees providing a vital contribution to research on women revolutions national liberation and anti colonial resistance Based on stories of the women themselves as well as her own experiences as a former political prisoner Abdo draws on a wealth of oral history and primary research in order to analyse their anti colonial struggle their agency and their appalling treatment as political detainees Making crucial comparisons with the experiences of female political detainees in other conflicts and emphasising the vital role Palestinian political culture and memorialisation of the Nakba have had on their resilience and resistance *Captive Revolution* is a rich and revealing addition to our knowledge of this little studied phenomenon

Israelis and Palestinians in the Shadows of the Wall Stéphanie Latte Abdallah, Cédric Parizot, 2016-03-09 Shedding light on the recent mutations of the Israeli separation policy whose institutional and spatial configurations are increasingly complex this book argues that this policy has actually reinforced the interconnectedness of Israelis and Palestinian lives and their spaces Instead of focusing on the over mediated separation wall this book deals with what it hides its shadows Based on fieldwork studies carried out by French Italian Israeli Palestinian and Swiss researchers on the many sides of the Israeli Palestinian divide it highlights a new

geography of occupation specific forms of interconnectedness and power relations between Israeli and Palestinian spaces It offers a better understanding of the transformation of people s interactions their experiences and the ongoing economy of exchanges created by the separation regime This heterogeneous regime increasingly involves the participation of Palestinian and international actors Grounded in refined decryptions of territorial realities and of experiences of social actors daily lives this book goes beyond usual political media and security representations and discourses on conflict to understand its contemporary stakes on the ground

My Brother, My Land Sami Hermez, 2024-02-20 A riveting and unapologetic account of Palestinian resistance the story of one family s care for their land and a reflection on love and heartache while living under military occupation In 1967 Sireen Sawalha s mother with her young children walked back to Palestine against the traffic of exile My Brother My Land is the story of Sireen s family in the decades that followed and their lives in the Palestinian village of Kufr Ra i From Sireen s early life growing up in the shadow of the 67 War and her family s work as farmers caring for their land to the involvement of her brother Iyad in armed resistance in the First and Second Intifada Sami Hermez with Sireen Sawalha crafts a rich story of intertwining voices mixing genres of oral history memoir and creative nonfiction Through the lives of the Sawalha family and the story of Iyad s involvement with the Palestinian Islamic Jihad Hermez confronts readers with the politics and complexities of armed resistance and the ethical tensions and contradictions that arise as well as with the dispossession and suffocation of people living under occupation and their ordinary lives in such times Whether this story leaves readers discomfited angry or empowered they will certainly emerge with a deeper understanding of the Palestinian predicament

The ABC of the OPT Orna Ben-Naftali, Michael Sfard, Hedi Viterbo, 2018-05-10 A lexicon of the legal administrative and military terms and concepts central to the Israeli occupation of the Palestinian Territories

Reclaiming Humanity in Palestinian Hunger Strikes Ashjan Ajour, 2021-12-14 2022 Winner of the Palestine Book Awards Rooted in feminist ethnography and decolonial feminist theory this book explores the subjectivity of Palestinian hunger strikers in Israeli prisons as shaped by resistance Ashjan Ajour examines how these prisoners use their bodies in anti colonial resistance what determines this mode of radical struggle the meanings they ascribe to their actions and how they constitute their subjectivity while undergoing extreme bodily pain and starvation These hunger strikes which embody decolonisation and liberation politics frame the post Oslo period in the wake of the decline of the national struggle against settler colonialism and the fragmentation of the Palestinian movement Providing narrative and analytical insights into embodied resistance and tracing the formation of revolutionary subjectivity the book sheds light on the participants views of the hunger strike as they move beyond customary understandings of the political into the realm of the spiritualisation of struggle Drawing on Foucault s conception of the technologies of the self Fanon s writings on anti colonial violence and Badiou s militant philosophy Ajour problematises these concepts from the vantage point of the Palestinian hunger strike

The Impossibility of Palestine Mehran Kamrava, 2016-04-26 The two state solution is the official policy of Israel the

United States the United Nations and the Palestinian Authority alike However international relations scholar Mehran Kamrava argues that Israel s state building process has never risen above the level of municipal governance and its goal has never been Palestinian independence He explains that a coherent Palestinian state has already been rendered an impossibility and to move forward Palestine must redefine its present predicament and future aspirations Based on detailed fieldwork exhaustive scholarship and an in depth examination of historical sources this controversial work will be widely read and debated by all sides

Terrorist Minds: From Social-psychological Profiling To Assessing The Risk Sagit Yehoshua,2020-10-19 This book s excellent discussion of the theories and concepts involved in profiling terrorists including those who are incarcerated is a major contribution to the academic discipline on these issues Perspectives on Terrorism Terrorist Minds From Social Psychological Profiling to Assessing the Risk explores the process of terrorist behavioural analysis from the social psychological profiling of terrorists to the development of risk assessment tools Most of the research for this book was conducted in cooperation with the Intelligence Department of the Israeli Prison Service via qualitative in depth interviews with leaders of terrorist organisations in Israeli prisons Once social psychological profiles were established terrorist risk assessment tools were developed to allow for better observation and practical management of associated problems This book fills the gaps in existing literature on the psychology of imprisoned terrorist group leaders through the analysis of individuals social professional and personal lives as well as their attitudes and perceptions The book also covers the practical aspects of risk assessment based on social psychological profiling and discusses relevant tools that have been developed in recent years It aims to better inform counter terrorism initiatives and policymaking as well as improve methods of communication counter terrorism and conflict resolution

Women and the Israeli Occupation Tamar Mayer,2003-09-02 The state of Israel and the Palestinian nation are at a monumental juncture in their histories Both have a chance to claim a new future but more than a quarter of a century of occupation has had significant social political economic cultural psychological and moral ramifications for Israeli and Palestinian men and women Women and the Israeli Occupation analyses the impact of the occupier occupied dichotomy on the lives of Palestinian Israeli Palestinian and Israeli Jewish women The book argues that the Occupation has exposed internal conflicts challenging social structures within all three societies but has also reinforced existing loyalties as Palestinian and Jewish women have moved into public political action and worked together to end the Occupation It suggests that although military occupation is not colonialism there are many similarities in the Israeli Palestinian case

The Grandest Larceny J. E. Thomas ,2023-09-17 A unique event the handing over of an entire country by another that did not own it to a people who simply laid claim to it by virtue of their myths and traditions happened in 1917 when the British gave Palestine to the Jews via the Balfour Declaration The Palestinian Arabs never accepted the theft of their land but have been powerless to resist the weight of support for the Jews given by the most powerful nations Despite the foundation of Israel in 1948 the region has been plagued by wars injustice and a vast refugee

problem which has dominated the lives of millions Today the future of the Palestinians is dire and seemingly inevitable In this thorough new examination J E Thomas delves deep into the foundations of the issue analysing the Zionist claim to the Holy Land in the nineteenth and twentieth centuries and their ruthless campaign to dispossess Palestinian Arabs a campaign that continues to this day

From Apartheid to Democracy Michael Schaeffer Omer-Man, Sarah Leah Whitson, 2025-09-30 A decisive break from the failed Oslo Accords and an innovative plan to create the foundations for peace and self determination in Israel Palestine For more than three decades the illusion of a two state solution under the auspices of the Oslo Accords has allowed Israel to maintain a one state reality of permanent occupation and apartheid Michael Schaeffer Omer Man and Sarah Leah Whitson challenge this approach presenting a road map to end these crimes and create a rights respecting regime for everyone now living under Israeli control Only once basic safety and legal equality are assured can Jewish Israelis and Palestinians determine their futures in one two or more states if they choose through an inclusive democratic process Breaking with the failures of the past the plan presented here makes clear that ongoing violations of basic human rights must be ended before issues of governance can be equitably addressed Clear eyed yet hopeful Omer Man and Whitson offer proof of concept that democracy and equality are indeed attainable and call on the international community to create the conditions required for them to flourish

The Role of National Courts in Applying International Humanitarian Law Sharon Weill, 2014-02 International humanitarian law is applied across the world in domestic courts This book investigates how five domestic courts the UK US Canada Italy and Israel have done so arguing that they show a range of different approaches from acting as apologists for the use of force to actively promoting international humanitarian law

Traces of Racial Exception Ronit Lentin, 2019-10-31 Positioning race front and centre this book theorizes that political violence in the form of a socio political process that differentiates between human and less than human populations is used by the state of Israel in racializing and ruling the citizens of occupied Palestine Lentin argues that Israel s rule over Palestine is an example of Agamben s state of exception Goldberg s racial state and Wolfe s settler colony the Israeli racial settler colony employs its laws to rule besieged Palestine while excluding itself and its Jewish citizen colonists from legal instruments and governmental technologies Governing through emergency legislation and through practices of exception emergency necessity and security Israel positions itself outside domestic and international law Deconstructing Agamben s Eurocentric theoretical position Lentin shows that it occludes colonialism settler colonialism and anti colonialism and fails to specifically foreground race instead she combines the work of Wolfe who proposes race as a trace of settler colonialism and Weheliye who argues that Agamben s western centric understanding of exception fail to speak from explicitly racialized and gendered standpoints Employing existing media activist and academic accounts of racialization this book deliberately breaks from white Western theorizations of biopolitics exception and bare life and instead foregrounds race and gender in analysing settler colonial conditions in Israel

Muslim Marriage and Non-Marriage Julie McBrien, Annelies Moors, 2023-11-09

Unconventional Muslim marriages have been topics of heated public debate Around the globe religious scholars policy makers political actors media personalities and women s activists discuss promote or reject unregistered transnational interreligious and other boundary crossing marriages Couples entering into such marriages however often have different concerns from those publicly discussed Based on ethnographic research in Europe the Middle East North Africa and Asia the chapters of this volume examine couples motivations for aspirations about and abilities to enter into these marriages The contributions show the diverse ways in which such marriages are concluded and inquire into how they are performed authorized or contested as Muslim marriages These marriages may challenge existing ties of belonging and transform boundaries between religious and other communities but they may also and sometimes simultaneously reproduce and solidify them Building on insights from different disciplines both from the social sciences anthropology political science gender and sexuality studies and from the humanities history Islamic legal studies religious studies the authors address a wide range of controversial Muslim marriages unregistered interreligious transnational etc and include the views of religious scholars state authorities and political actors and activists as well as the couples themselves their families and their wider social circle

Threat Palestinian Political Prisoners In Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Threat Palestinian Political Prisoners In Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Threat Palestinian Political Prisoners In Israel has opened up a world of possibilities. Downloading Threat Palestinian Political Prisoners In Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Threat Palestinian Political Prisoners In Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Threat Palestinian Political Prisoners In Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Threat Palestinian Political Prisoners In Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Threat Palestinian Political Prisoners In Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Threat Palestinian Political Prisoners In Israel

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Threat Palestinian Political Prisoners In Israel Books

What is a Threat Palestinian Political Prisoners In Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Threat Palestinian Political Prisoners In Israel PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Threat Palestinian Political Prisoners In Israel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Threat**

Palestinian Political Prisoners In Israel PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Threat Palestinian Political Prisoners In Israel PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
