I have a lot of great memories from this year. We do so many fun things at school, it is hard to choose my favorites. The three things I remember most about this year are the coffee roastery field trip, Homecoming, and working on the newsletter.

One thing I really enjoyed this year was going on a field trip to the coffee roastery. My favorite part was smelling the coffee beans while they were roasting. I also loved going to the Homecoming Dance. It was so much fun getting to dress up and have fun with my friends. I think the best part of the year was getting to write articles for our school newsletter. It was exciting to share what we did in class with our parents and teachers.

There were so many great memories from school this year. The coffee field trip, Homecoming, and working on the newsletter were some of the best memories I have from this school year.
