Dobbins, 2007-11-08 Science Fiction Romance Before the Devinci Code Before Jesus was the story of Adam Eve In the beginning God created the Heavens and the Earth This may be true but did God first create man on Earth I don't think so Earth was colonized by a group of explorers Through the eyes of an old man the story is told A more plausible story that explains everything including how man evolved on Earth how religion really got started and how we all came to be Many of the situations and sub stories are based on actually fact Could this be how we **A Look Through My Eyes** Dawn Vandenberg, 2012-11-09 This book begins with the story of a young boy really started Rem Vandenberg who was born in 1937 in the Netherlands just before the onslaught of the Second World War His youth was a struggle to exist under the German occupation and in combating the depravation of poverty Added to these hardships was the ongoing personal battle he fought daily in accepting the doctrines of the Roman Catholic Church which were heavily imposed on him by the uncompromising adult belief of the time His authoritarian father loaded with the responsibility of caring for the large family was staunch in upholding his strong principles and instilling them into his children Of a less serious nature and with a strong desire to be free of the bonds restricting him from freedom of expression and thought Rem was often on the punitive end of the disciple rod both at school and home Opposing this oppression was the endless love and compassion of his mother who through the strength of her faith was able to engulf the whole family under her mantle of love and bind them together into a caring family unit At a young age Rem had to begin work to help support the family What he was expected to do for a few cents per week was beyond the capability of this small undernourished lad His father insisted on strength of character and allowed him to be pushed to the limit of his endurance Held by the love of his family but tormented with the urge to be free of restrictions Rem finally took his life in his own hands At the age of sixteen driven by the spirit of

adventure he left home and joined the merchant navy His first voyage was on a whaling ship to the South Pole which was followed by voyages throughout the world for the next few years On sailing into his first Australian port his desire to stay in Australia took over He jumped ship and went inland where he took a job on the railway After six months as gang worker he was finally picked up by the law and experienced a short jail sentence before being deported back to Holland His love for Australia was strong and within two years he returned as a legal migrant and still lives in his beloved land today IS WHAT IT IS AS SEEN THROUGH MY EYES KEMY LOREE DERLAGO, 2013-10 As I travel across north America operating a tractor and trailer hauling consumer goods I come across many events of the human spirit and so I write about what I see hoping that it may make you cry make you laugh make you think about life and how precious it is Eyes Martin Groenewoud, 2023-02-28 Through photo's short poems and short personal stories the Author Martin Groenewoud Martin expresses his admiration and his love for this great country called Canada His personal feelings and thoughts written down reflect his emotional bond with the grandeur nature beautiful wildlife and friendliness of Canada If you have ever travelled Canada or have visited the Sunshine Coast you will surely relate to these poems and short stories and the photo's might bring back many good memories This book is based on photos taken by the Author Martin Groenewoud or by family members while travelling across Canada's Provinces and Territories And primarily based on photos taken by the Author during the family s Summer Vacations in Sechelt on the Sunshine Coast British Columbia The Light Through My Eves Cindy Kupinski, 2019-03-15 There is light at the end of the tunnel Cindy for years has been trying to be healthier and stronger after a life of abuse and confusion The fact that she s alive and not locked up somewhere is a miracle Cindy talked and sang to God in her front lawn to a tree when she was only four years old She sang This Little Light of Mine since she was in so much pain and didn t want other people to hurt as much as she was This book is a story that journals Cindy s life that she is an amazing woman of God whose faith and desire to get healthy got her through all the craziness of her life that one day she will be completely healed from all her abuse Cindy's desire is to place this story in the hands of people who believe that God is present even in a life of craziness and abuse that no means no that their choices do matter that they can end their pain that Cindy's story can give them strength and encouragement when they see no light at the end of the tunnel and that one day they can be healed too **Heaven in My Eyes** Kymm Civetta, 2023-02-14 Heaven In My Eyes is a true story of heaven and healing when a life threatening illness increased Kymm's intuitive gifts calling her to write and share her story It Inspires the reader revealing the higher perspective of how such a devastating challenge can be a gift and more importantly a direct calling from Heaven You will walk closely with Kymm in this compelling true story of how she embraced her mission to become a Christian Clairvoyant in one of the most incredible testimonies authored Sit riveted as she describes the visions she received from Jesus Arch Angel Michael Marion Callings from Mother Mary and loved ones in Heaven You will be captivated by Kymm s mind expanding views on how we are all innately connected to Heaven So full of true light love healing
