

## Western Civilization

### 2. Cuneiform

Cuneiform was an ancient writing system used by Mesopotamia. The Mesopotamian people would make shapes into combinations which ultimately created characters and would carve those characters into a clay tablet. When studying cuneiform, it is usually studied in comparison to hieroglyphics, which was a writing system used by Egypt. Hieroglyphics were pictures used to tell stories, while Cuneiform was a logistic system. Cuneiform was only used for mundane documents.

### 3. Marius

Gaius Marius was a military general and politician of the Roman Republic. Not only was he elected into office seven times, he also made huge changes to the military while he served as the general. He was a very important leader during the time of the fall of the Roman Republic. During this time, he attempted to make their military stronger by improving the military men and their weapons. He started to professionalize the military by recruiting individuals and making sure they were trained to be top fighters. Unfortunately, during war, most of the military was either killed or enslaved, which contributed to the fall of the Roman Republic.

### 4. Sea Peoples

The Sea People were people who traveled by sea, also known as seafarers. This group of people traveled along the east Mediterranean coast, attacking civilizations. One of those civilizations was the Egyptians. They gave this group of people the name "Sea Peoples," but wrote very little on them. We do not know for sure where they are from, but some propose they may have been from the Mediterranean Islands or Asia Minor. They were later attacked by the Egyptians and defeated.

1. The building depicted is the Urn Tomb located in Petra, Jordan. The Urn Tomb was carved around 70 AD by the Nabataeans as a place of burial for King Malchus II. Because of that, it is popularly known as The Royal Tomb of Malchus. They built two layers to this vault and it is thought to be one of the oldest and most distinctive tombs in Petra. The Urn Tomb was later turned into a church by the Byzantines.
