has grown to be one of Africa's top safari destinations. This new edition actively responds to this evolution by focusing on the country mainly as a safari and short stay fly in holiday destination. It also reflects the growing trend away from large lodges towards small exclusive eco friendly camps in remote parts of national parks and bordering community concessions. Beyond spectacular year round game viewing, Tanzania is one of Africa's most varied countries, its long palm fringed coastline offering post safari relaxation and complemented by the Great Rift Valley, portions of Africa's three largest lakes and impressive mountains. Use this guide to discover everything Tanzania has to offer.
