not only refuse to help in a timely manner but actively get in the way The answer is that we must help ourselves This book is about three people who have urgent desperate problems which cannot wait for a broken system They must help themselves but how The system may be broken but it works frustratingly well when it comes to punishing those who help themselves About the Author Richard Cravens lives in Albuquerque New Mexico with his wife son two daughters four cats and two dogs After a relatively successful career in the hospitality industry and after a bout of temporary insanity he was sworn into the New Mexico State Bar at the age of 46 Despite his best attempts by hang gliding rock climbing kickboxing bar fighting and drunken jeep crashes he did not die of stupidity got sober and now he has an incredible life for which he is very grateful Richard has been a member of the Biomedical Ethics Committee at the University of New Mexico Health Sciences Center since his first year of law school He belongs to the New Mexico Lawyer s Assistance Committee which helps lawyers with substance abuse and other issues to keep their licenses

The Double Mother Michel Bussi,2021-08-17 A school psychologist investigates a four year old s claim that he isn t his mother s son in this psychological tale by the author of *After the Crash* Four year old Malone Moulin is haunted by nightmares of being handed over to a complete stranger and begins claiming his mother is not his real mother His teachers at school say that it is all in his imagination as his mother has a birth certificate photos of him as a child and even the pediatrician confirms Malone is her son The school psychologist Vasily believes otherwise as the child vividly describes an exchange between two women Vasily begins recording their conversations and reinterprets the creatures Malone uses in the childish tales he recounts to his stuffed toy to piece the story together as much as he can Convinced that Malone is telling the truth Vasile approaches police commander Marianne Augresse with the case who has been searching for a gang of thieves that robbed a luxury store and left a couple dead in the neighboring town of

Deauville to no avail Not knowing why a child would lie and with perhaps her own maternal and protective instinct kicking in Marianne takes Vasile's plea for help seriously Marianne and her team soon discern that Malone's memory is in the hands of those around him the cold members of the Moulin family and the people that they associate themselves with With Malone's recollection of the past quickly fading to give way to pirates animals and other more innocent thoughts children have at his age Marianne is desperate to find a through line Well crafted and showcasing the fragility of a child's cognition *The Double Mother* is a riveting investigation to follow Praise for *The Double Mother* Gripping may set a record for number of plot twists between two covers A long book that goes quickly *The Double Mother* zestily translated by Sam Taylor is likely to stay in your mind for years to come even if you don't have a stuffed animal to coach you Washington Post Brainy exciting and humane Kirkus Reviews Bussi multiplies the red herrings tangles the plot strings plays with illusions and subterfuge He is the master of the trompe l'œil novel ELLE Magazine Bussi is back with his breathless style to give us something to chew over *Le Point*

Zen, Mississippi M. David Hornbuckle, 2019-06-14 Patrick Alexander thinks he's going crazy At age 30 he's frustrated with his life in the small Mississippi town where he grew up stifled by his unhappy marriage and his soul crushing pizza delivery job But when he drinks his world becomes populated with the hallucinatory characters he invented as a child including a Martian and a talking monkey In the midst of an existential crisis Patrick leaves his wife and the only home he's ever known to embark on a spiritual quest where he will find new loves face his long missing father and confront the demigods of his personal mythology *Italian Custom Motorcycles* Uli Cloesen, 2013 Many books have been published about Italian motorcycles but none has focused exclusively on the Italian motorcycle based chopper until now Featuring stunning photography this is a great book for Italian bike fans and fans of the custom bike scene in general *Cycle World Magazine*, 2010-01 *Cycle World Magazine*, 2004-01 *Cycle World Magazine*, 2010-01 *MotorBoating*, 2001-07 *Cycle World Magazine*, 2002-01
