

# Bumble bee rhyme

Bumble bee, bumble bee  
yellow and black,  
4 buzzing wings  
you have on your back.

Looking for nectar  
in flowering blooms,  
pollen filled legs  
that will need a good groom.

Helping our fruits grow  
and vegetables too,  
pollinating daily  
what else do you do?

**Bumble Bee Book** Julia Mecham-Rodgers,2008-09-01 A poem of questions about bumblebees It is more than just a fun poem it leaves children with the message You can do anything      **Poems for the Heart** Joseph J Cacciotti,2007-05 I started writing poetry when I was seventeen years old I found out that when you put your thoughts into words sometimes magic happens I m not talking about genies popping out of a bottle or anything like that but in how I see things clearer and how beautiful this world truly is I found out later in life how much easier it was to find a date in high school I used to try and talk to girls and found out sometimes I d get a little gun shy and pass up my chance Then one day I wrote a poem for this girl I had my eye on I walked up to her and handed her the poem and then walked away Later she approached me and we went out on a date I found the magic potion to breaking the ice so to speak was a piece of paper and a writing pen I learned how to put my thoughts down on a piece of paper which later I put into a blank book that I would write my poems in After I was told by at least fifty or so people that I should share these poems to others I sat down and sorted out the poems I thought could touch your heart the best I hope my poems are inspirational enough to help you create your own book      **Timothy M.**
