Poems From the Heart Jean Marie Norman,2024-02-14 This book of poetry started with no thought process at all A few poems written over many years Mostly with very personal messages to family and friends Poems to my husband my grandchildren my friends Then for unknown reasons I started writing about life My life the lives of people I know and simply life in the world in which I live Many of these poems lean close to my heart thus the title They certainly do reflect my personal thoughts on life love loss and laughter Asterisked titles are titles given to me over time by my BFF who challenged me to write the poem You might say she spurred me on The world I grew up in and the world my grandchildren are growing up in are so significantly different it s sometimes hard to even imagine My poems reflect the changes both good and bad as perceived by the writer Some strike on my past some on the sadness of today s world and some simply on the joy I see in life I hope you find comfort humour and a wee bit of quietude in some of the poems and that you see the beauty of life both in the human factor and the world we ve been given to care for Poetry of the Heart Stefanie Messick,2003-05 **Poems from**

Poetry's Heart to Heal the Soul Lisa k Maier,2007-10 Poetry s heart to heal the soul is based on some very touching inspirational things I have gone through in my life With god as a guide and a light I ve been through many things and everything I ve gone through I put it into love I call poetry it s about good times and bad but always a meaning to explain life at that particular moment in time It is a passion I have for life and the miracle it stands to be that I put into words I see life kind of like music and a dream and the power to create our own fate A lot of it is gratitude for where I stand and my love to serve in this world my wishes to help Some of this literature is on religion some on limitless love emotions I call a dimension on so many levels and outlooks I guess that s why it s poetry When I write it s like my mind is filled with words and an understanding that I put to words in hope to interest or love in someway I hope it is like a piece to a puzzle in some way or justice or helps someone to see life differently in a good way *A Poet's Heart - Revised* Charles Allen, PhD,2012-02-29 This book is an outgrowth of the many poems that I have written over the years of my life Most of them stemmed from the love for my wife Madeline Some of the poems go back as far as 1968 when we were courting The most recent poems stem from the love I felt for her after her stroke in 2001 The poems would come to me at all hours of the day and night They were persistent As any poet would tell you the poems are in your brain and just won t leave you alone until you pen them to paper *A Poet's Heart* Erin R.
