

"Special"

Although my needs may be special,
I may not walk and run so fast.

Although my needs may be special,
I feel and hurt the same.

Although my needs may be special,
I may talk a little funny.

Although my needs may be special,
I love and want just like you.

Although my needs may be special,
I may look a little different.

Although my needs may be special,
I'm just as curious and scared.

Although my needs may be special,
I may learn and read a little slower.

Although my needs may be special,
I AM SPECIAL; I'm a child of God
like you.
