Polaris 4 Wheelers:

Ernest Eyes M. Ross Kempf, 2013-06-10 Ernest Lenihan and Opal Nash met in college and fell in love They went their separate ways after and never really kept in touch Now 30 years later Ernest is ready to retire and Opal is ready for love He takes a vacation to see her and they rekindle what was left behind a lifetime ago After catching up and realizing that they are meant to be together something happens that neither or them are prepared for Meantime Cassandra Nixon and Lt Nicholas Baldwin are treasure hunting in the Andaman Islands and come across the find of the millenium The only problem is that they are not able to get to the prize While attempting to dislodge the item Nick gets a call from NAMA and feels the patriotic duty to go back to the U S and serve his country The only thing that he knows is that someone needs his help what he doesn t know is that the assistance needed is all he will be able to handle General Suarez and Colonel Lima run one of the largest drug cartels in the Americas Thanks to some hikers and an undercover agent they now have a major problem on their hands The only thing that they can do is try to find the spy and eliminate the problems The world is a very small place when everyone in it has something or somewhere in common It s funny how things come together *The Governor of Goat Hill* Eddie Curran, 2009-12-31 I think this will make Watergate look like childs play Former Alabama Gov Don Siegelman on Karl Roves alleged involvement in his prosecution Was Don Siegelman the victim of a Republican conspiracy led by Karl Rove or was he perhaps the most corrupt governor in Alabama history On February 24 2008 60 Minutes delivered a bombshell claims that President Bushs political advisor Karl Rove had assigned an Alabama woman to tail Governor Don Siegelman and take photos of him having extramarital sex The piece also presented an open and shut case that powerful Republicans including Rove and Bob Riley Siegelmans successor as Alabamas governor had somehow ordered the Justice Department to prosecute Siegelman In this book Eddie Curran the investigative reporter whose stories initiated the criminal investigation delivers a far different portrait of the one time golden boy of Alabama Democratic politics Curran leads readers on a first person account of his discoveries including Siegelmans use of his office to collect more than 1 3 million in legal fees while governor the sale of his home through a straw man for twice its value and a host of scandals involving the likes of Waste Management Inc and Richard Scrushy the deeply corrupt HealthSouth Corp chairman prosecuted along with Siegelman *The Governor of Goat Hill* is both a scathing portrayal of a New South governor gone bad and an indictment of some of the top names in American journalism who bought into a bogus conspiracy for no reason other than it led to Karl Rove This is a book you will either love or hate One thing you definitely wont find it to be is boring If you believe Don Siegelman got shafted by over zealous intensely partisan prosecutors you will find the case presented against him in great detail making it easier for you to contradict with opposing evidence I consider Don Siegelman a personal friend and this book has not changed my mind He is a man of great ability and it will be up to the reader to decide if he abused the trust that was placed in him or was the victim of a witch hunt orchestrated at the highest levels of American government Bill Stewart Professor Emeritus of Political
