

A photograph of a natural gas processing plant at sunrise. The scene is dominated by a large, horizontal, cylindrical storage tank in the background, which is partially obscured by a dark blue horizontal band. In the foreground, there is a complex network of metal scaffolding, pipes, and structural supports. The sun is low on the left side of the frame, creating a bright, hazy glow that illuminates the scene. The sky is a pale blue with some light clouds. The overall atmosphere is industrial and serene.
