

A man wearing a brown cowboy hat and a dark blue button-down shirt is kneeling on a gravel path. He is looking off to the side with a serious expression. Next to him, a medium-sized dog with tan and white fur is standing and looking towards the right. The background shows a vast, open landscape under a dramatic sky with dark, heavy clouds and a bright, low sun on the horizon, creating a silhouette effect on the man and dog. In the top left corner, there is a purple geometric graphic.

Albertini has spent much of her life guest starring in other people's stories. Her older sister is a type A personality who creates opportunities like other people build hopes and her younger sister finds trouble like it's an integral strand of her DNA. Finally Tessa's hard work and sacrifice allow her to open that restaurant she's been dreaming about since she was a young teenager working her butt off regardless of the obstacles now slamming into her. There's an advancing enemy who doesn't want Tessa to succeed in business while Nonna Albertini is determined she'll succeed in love no matter how much meddling it takes. Finally Nick Basanelli the most arrogant and sexy man she has ever met zeroes his formidable focus into actually courting her and that's before he discovers she's in danger and morphs into overprotective alpha male mode. While a family's middle child is supposedly a peacemaker the world is about to discover that when pushed far enough Tessa is willing to go to war.

**Holiday Rebel** Rebecca Zanetti, 2023-08-29 It's not just the family match makers they have to fear during the New Year. Rory Albertini has survived in a world of espionage and danger by being patient and outwaiting any enemy. So when his fianc and the only woman he's ever love dumps him he immediately creates an attack plan. He gives her time with a deadline to deal with the fact that he can't talk about his job but will give everything else in his life including his heart to her. Yet when danger comes for her he might have to reveal the deadly skills he wants to hide and then possibly lose her forever. Serenity McDerny is a stubborn Irishwoman who'd thought she had the ideal life with her hottie Italian fianc in the best small town in the world. They even picked out rings when she'd had no clue he wasn't actually with the forest service. The guy is some type of spy. He lied to her way too easily and she can't let that go. Now like some arrogant James Bond he's given her a deadline to figure things out and get back together with him. While she can handle Rory's stubbornness as well as the danger coming fast not even Serenity can avoid the Albertini match makers when they set their sights on her.

**Colton 911: Deadly Texas Reunion (Mills & Boon Heroes) (Colton 911, Book 4)** Beth Cornelison, 2019-10-03 He's trying to solve a murder but the greatest danger he faces is losing his heart.

**Santa's Subpoena** Rebecca Zanetti, 2021-09-28 So Much for Peace. During the Holidays Anna Albertini has her hands full during the holiday season. Her boyfriend Aiden is back in town after being undercover across the country for the last three months and his sudden over protectiveness is a little too much. In addition Nonna's latest matchmaking scheme has been so far thwarted by the two most stubborn candidates alive and Nonna is out of patience and bringing out the big guns. Anna is forced to both protect her sister and run interference when she'd like to jump in and find a happily ever after for everyone instead. To add to her already hectic life her life long stalker is about to make a move and doesn't hide that frightening fact although Anna is more than ready for him. In fact she's willing to draw him out to finally bring him down regardless of the consequences. Finally Santa has been arrested and charged for murder needing a good lawyer. Who would arrest Santa Anna can't let this stand. It's a good thing Christmas is a time of magic and miracles because she's going to need one.
