Phil Hubbard, Rob Kitchen

Sociology Anthony Giddens 6th Edition:

Sociology Anthony Giddens, Philip W. Sutton, 2010 Whilst particularly useful as a companion to the sixth edition of Giddens's *Sociology* the reader is designed for use independently or alongside other textbooks

Sociology Anthony Giddens, Philip W. Sutton, 2009 This edition incorporates many new materials

Capitalism and Classical Social Theory, Second Edition John Bratton, David Denham, 2014-01-24 Most texts on classical social theory offer exhaustive coverage of every possible theorist making it difficult to use the book in one semester *Capitalism and Classical Social Theory Second Edition* represents a departure from this approach by offering solid coverage of the classical triumvirate Marx Durkheim and Weber but also extending the canon strategically to include Simmel four early female theorists and the writings of Du Bois The result is a manageable but thorough examination of the key classical theorists The second edition has been updated throughout and includes two new chapters one on Weber and rationalization and one on Du Bois and his writings on race A new concluding chapter links classical theory to current developments in capitalism during an age of austerity

Politics of Climate Change Anthony Giddens, 2009-05-05 Climate change differs from any other problem that as collective humanity we face today If it goes unchecked the consequences are likely to be catastrophic for human life on earth Yet for most people and for many policy makers too it tends to be a back of the mind issue This book argues controversially we do not have a systematic politics of climate change Politics as usual won't allow us to deal with the problems we face while the recipes of the main challenger to orthodox politics the green movement are flawed at source cover

An Introduction To Sociology Prof. Shivcharan Singh Gandhar, Dr. Mangesh Vilinikaran Jabade, 2023-10-16 The term social science is often used to refer to the fields that sociology and anthropology fall under The field is particularly influential within the realm of the social sciences Sociology is sometimes referred to as the science of society which is exactly what the name sociology implies when taken in its most literal definition In the first half of the 19th century specifically in the year 1837 a new academic field known as sociology emerged as a specialized science to elucidate the fundamental laws that govern societal phenomena human social relationships In this book the primary focus has been on analyzing the issues and societies of the modern western world As a result it is common practice and generally recognized to connect sociology with the investigation of contemporary industrialized cultures found in the Western world *An Introduction to Sociology* is a presentation of the theoretical perspectives the techniques of investigation and the ideas that sociologists use to organize the complex phenomena that arise from social interaction This book offers an instance of specific research that may give some insights into fundamental aspects of society and the behaviour of social groups This book also covers the institutionalized aspects of society such as the family the economy and politics among other topics

Foundational sociology: Sociological thinkers, perspectives and imagination Sikha Nayak, 2022-07-29 The book offers a deep dive into the range of societal issues ranging from government and gender identity to inequalities globalisation and even the Disneyfication of today's world The book is an academic type and provides

self guide to final year BA students as well as for civil services and other competitive examinations The book covers fundamental aspects perspectives and outlook to sociology readers may find it very helpful in understanding the fundamentals of sociology *An Introduction to Sociology* Anthony Giddens,Mitchell Duneier,2000-04-01 **Capitalism and Classical Social Theory, Third Edition** John Bratton,David Denham,2019-05-31 In this third edition of Capitalism and Classical Social Theory John Bratton and David Denham build on the classical triumvirate Karl Marx mile Durkheim and Max Weber by extending the conversation to include early female theorists such as Mary Wollstonecraft and Charlotte Perkins Gilman as well as the writings of W E B Du Bois and G H Mead Connecting current headlines in the political mainstream to concepts like alienation anomie class gender race and the environment Capitalism and Classical Social Theory sheds light on how classical social theories may be applied and understood within a contemporary context This revised and expanded third edition features topical discussions of socio economic shifts in the post Trump and post Brexit world and uses original excerpts and additional readings to further contextualize the significance of classical social theory today **Capitalism and Classical Social Theory** John Bratton,David Denham,2014-01-24 Capitalism and Classical Social Theory Second Edition offers solid coverage of the classical triumvirate Marx Durkheim and Weber but also extends the canon strategically to include Simmel four early female theorists and the writings of Du Bois *Business in Society* Mark Erickson,Carol Stephenson,Harriet Bradley,Steve Williams,2009-06-22 What s the point of studying business from a social perspective How can sociology aid my understanding of the big issues facing businesses today Can thinking sociologically really equip me better for a career in business This text provides an indispensable introduction to business and organizations from a social perspective **Sociology, Sixth Edition** Anthony Giddens,Philip W. Sutton,2010 Now available in a discounted bundle buy the exciting new sixth edition of Anthony Giddens s Sociology alongside the specially tailored and revised selection of key sociological works in Sociology Introductory Readings The main textbook provides an authoritative overview of recent global developments and new ideas in sociology Classic debates are also given careful coverage with even the most complex ideas explained in an engaging way The reader offers a stimulating and wide ranging set of readings to enable students to get to grips with original sociological thinking A strong emphasis has been placed on creating a productive mixture of classic and contemporary readings which is highly readable and lively yet remains challenging Together the two books provide an engaging and thorough introduction to the full scope of sociology a comprehensive resource for all students For additional support and material please visit the accompanying website at <http://www.politybooks.com/giddens6> **Norbert Elias and Modern Sociology** Eric Dunning,Jason Hughes,2013-01-31 This book endeavours to bring the sociology of Elias to a new and wider audience through offering accessible explanations of some of his key ideas *Essentials of Governance* Zhongmin WU,2021-07-19 There are twelve lectures in this book The theoretical section addresses the concept of social contradictions their various forms and influencing factors their dual functions and how they aid social development The author then

compares the characteristics of contradictions in traditional and modern society and analyzes how their special laws have become applicable during periods of transition in contemporary Chinese society He interprets the contradictions between the public and officials the rich and the poor and labor and capital He also looks at social contradictions in the internet era He finally analyzes the possibility of social unrest in China and proposes how to actively and effectively deal with social contradictions His study of social contradictions is of theoretical and practical significance

The Political Economy of China-Latin America Relations Alvaro Mendez,Mariano Turzi,2020-03-21 The book explores the ways in which Latin American states are capitalizing or failing to capitalize on the initiatives of China in world affairs The authors hypothesize that a dearth of regional agency and social construction and a consequent institutional deficit in foreign relations characterizes Latin America and its inadequate reaction to Chinese agency The volume includes multiple case studies from eight Latin American countries and discusses the Asian Infrastructure Investment Bank s initiatives and policies The book will interest scholars researchers policy makers foreign policy analysts and graduate students in Latin American and Asian politics as well as development studies and political economy
