

3) To change the socket timeout

Sometimes when you try to hit service even with the correct request you may get an error called 'connection timed out'.

The reasons for this error are as follows:

- The service is not up.
- Time taken to get the response from the service is long.

For the solution of the first problem, you need to verify that the service is up and running but to solve the second problem perform the following steps:

1. Click **File** and then select **Preferences**.
